DGX/tcg 1/31/2008

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Examine the Commission's Post-2005 Energy Efficiency Policies, Programs, Evaluation, Measurement, and Verification, and Related Issues.	Rulemaking 06-04-010 (Filed April 13, 2006)

ASSIGNED COMMISSIONER'S RULING GRANTING EXTENSION OF TIME TO FILE PRELIMINARY ENERGY EFFICIENCY STRATEGIC PLAN

On January 30, 2008, San Diego Gas & Electric Company, Pacific Gas and Electric Company, Southern California Edison Company, and Southern California Gas Company (collectively, the Joint Utilities) sent a letter to the Executive Director requesting an extension of time to file the Joint Utility preliminary Energy Efficiency Strategic Plan. The preliminary Strategic Plan is due on February 1, 2008 per Decision (D.) 07-10-032, Ordering Paragraphs 1 and 2. The Joint Utilities request an extension of time until February 8, 2008.

The Joint Utilities state that they have been diligently working toward completion of the preliminary Strategic Plan, including holding a number of workshops with interested parties. The Joint Utilities state that a large amount of material was gathered from the workshop conveners, and that additional time is needed to compile a more complete document. The Joint Utilities state that granting the requested extension should not harm any parties' interests or delay the issuing of any Commission rulings or decisions regarding energy efficiency program portfolios.

Given the importance of the preliminary Strategic Plan in developing the next generation of energy efficiency for California and the utilities 2009-2011

portfolios, and the tremendous level of participation in the workshops to date and information generated therefrom, I will grant the Joint Utilities' request to extend the filing date by one week. I otherwise intend to keep to the procedural schedule set forth in D.07-10-032, including filing the Joint Utility Energy Efficiency Strategic Plan Application on May 15, 2008.

Ordering Paragraph 38 of D.07-10-032 states that the Assigned Commissioner and Administrative Law Judge have discretion to change the schedule set in that decision. I remind all parties that any requests for changes in the schedule pursuant to the decision must be filed in the docket and served on all parties.

The preliminary Strategic Plan is now due February 8, 2008.

IT IS RULED that the Joint Utility preliminary Energy Efficiency Strategic Plan shall be filed on February 8, 2008.

Dated January 31, 2008, at San Francisco, California.

/s/ DIAN M. GRUENEICH
Dian M. Grueneich
Assigned Commissioner

INFORMATION REGARDING SERVICE

I have provided notification of filing to the electronic mail addresses on the attached service list.

Upon confirmation of this document's acceptance for filing, I will cause a hard copy of the filed document to be served upon the LIEE service list R.07-01-042 by U.S. mail. The service list I will use to serve the hard copy of the filed document is current as of today's date.

Dated February 4, 2008, at San Francisco, California.

TERESITA C. GALLARDO
