Re: Protest Period on Advice Letter 2795-E-A

Dear Mr. Cherry:

By supplemental Advice Letter 2795-E-A filed on March 10, 2006, Pacific Gas and Electric Company revised some agricultural rates previously proposed in AL 2795-E on March 1, 2006. PG&E requests that protests on supplemental AL 2795-E-A be due on March 21, 2006. PG&E requests that protests be received by that date, so that it will have sufficient time to test its billing system, prior to the date on which it intends to implement new rates filed in the advice letter, i.e., April 1, 2006.

Earlier this month PG&E filed a separate advice letter which notified customers of the rates that PG&E filed in AL 2795-E-A. PG&E's proposal to shorten the protest period on AL 2795-E-A is granted, and protests on that supplemental advice letter shall be due on March 21, 2006.

No later than March 16, 2006 PG&E shall serve a copy of this letter by email or overnight mail on all persons who received AL 2795-E-A.

Sincerely,
