**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking on the Commission's
Proposed Policies and Programs Governing post-
2003 Low-Income Assistance Programs.

R. 04-01-006

**REVISED MONTHLY REPORT OF SOUTHERN CALIFORNIA GAS
COMPANY (U 904 G) ON WINTER INITIATIVE FOR APRIL 2006 REQUIRED
BY ORDERING PARAGRAPH 19 OF DECISION 05-10-044**

I. Introduction

Southern California Gas Company ("SoCalGas") files this revision to its April 2006 monthly report, to provide shut-off data, to comply with Decision ("D.") 05-10-044, "Interim Opinion Approving Various Emergency Program Changes in Light of Anticipated High Natural Gas Prices in the Winter of 2005-2006," issued herein on October 27, 2005. Specifically, Ordering Paragraph ("OP") 19 of D.05-10-044 provides:

Each utility shall file monthly reports, this winter, due no later than the seventh of each month, December through May, presenting the percentage of residential accounts being paid in full when due, paid between 50-99%, and paid at less than the 50% trigger for shut-off protection, separately tracked by CARE, medical baseline and non-CARE customers (and FERA where applicable), and including shut-off figures for each of these customer groups.

The shut off data reflected in this revised Attachment 1 was not available at the time SoCalGas filed its April 2006 Report on May 5, 2006.

II. Description of Report

A. 19-Day Report

Consistent with OP 19, SoCalGas here provides a report that reflects bill payment status for residential accounts as of the due date, which is 19 calendar days from the mail date of the bill. See Attachment 1, hereto.

B. 30-Day Report

Because a significant number of SoCalGas' customers who do not have difficulty paying their energy bills do so between the due date and the time the next month's bill is issued, SoCalGas believes that a report reflecting bill payment status just prior to the next month's bill (approximately 30 days following the mail date of the bill) will provide the Commission with a more accurate evaluation of the percentages of customers having difficulty paying their bills as the winter progresses. Accordingly, in addition to the 19-day report, discussed above, SoCalGas also is providing the Commission with a 30-day report. See Attachment 1.

III. Conclusion

Accordingly, SoCalGas here files the revised reports on Attachment 1, reflecting shut-off data, to comply with OP 19.

Respectfully submitted,
