**LOW INCOME ENERGY EFFICIENCY PROGRAM STANDARDIZATION TEAM
RESPONSE TO ASSIGNED COMMISSIONER'S RULING DIRECTING THE
STANDARDIZATION TEAM TO WITHDRAW AND REFILE ITS PROPOSAL
RELATED TO PHASE 5 OF THE LOW INCOME ENERGY EFFICIENCY
STANDARDIZATION PROJECT**

I. Introduction

Pursuant to "Assigned Commissioner's Ruling Directing the Standardization Team to Withdraw and Refile its Proposal Related to Phase 5 of the Low Income Energy Efficiency Standardization Project" ("ACR"), dated March 25, 2005, San Diego Gas & Electric Company, on behalf of the Standardization Team ("Team"), hereby withdraws the January 18, 2005, recommended changes to the Low Income Energy Efficiency ("LIEE") Policy & Procedures ("P&P") Manual and the Weatherization Installation Standards ("WIS") Manual (collectively, "January 18 Proposal"). The ACR ordered the Team to withdraw the January 18 Proposal and "to hold workshops to receive input from interested parties and other members of the public." (ACR at 3).

II. Discussion

The Team appreciates the Assigned Commissioner's concerns about the lack of public input. In fact, had the Team understood Decision (D.) 03-11-020

as directing the Team to conduct workshops prior to proposing any changes in LIEE procedures and protocols to the Commission, the Team would have proposed workshops in the Standardization Phase V workplan, schedule, and budget filed on October 15, 2004. The Team's Phase V workplan, schedule, and budget was adopted by the Commission in an October 22, 2004 ACR.

Phase V covered three tasks: development of proposed revisions to the P&P Manual, preparation of proposed revisions to the WIS Manual and the solicitation and evaluation of proposals for new LIEE measures. In Ordering Paragraph 16 of D.03-11-020, the Commission specifically directed the Team to conduct public workshops for the assessment of new measures for inclusion in the 2006 LIEE program ("New Measures Workshops"). The Commission, however, did not direct the Team to hold workshops in conjunction with the process of recommending revisions to the P&P and WIS Manuals.

As directed by D.03-11-020, the Team and Commission Staff worked in concert to schedule the New Measures Workshops and the Team notes that on March 29, 2005, the Commission posted public notice on its Daily Calendar that the New Measures Workshops will be held on April 8 and April 15 in San Francisco and San Diego, respectively.

In accordance with the March 25 ACR's clear directive, the Team will be pleased to engage in pre-filing workshops to obtain public input on the proposed changes to the P&P and WIS Manuals. The first step of that process will be to develop a revised scope of work schedule, with specified tasks, and a budget for Phase 5 of the Standardization Project since the currently effective work

schedule and budget cannot accommodate these new tasks. The Team will file the revised scope of work within 10 working days from the date of this filing for Commission approval. As directed by the Assigned Commissioner, the scope of work will provide increased opportunities for public input. Moreover, recommendations submitted to the Commission after the completion of the public solicitation process will include discussion on the five items specified on page 4 of the ACR.

The Team believes that workshops and open Standardization Team meetings are consistent with an open and public process.

III. Conclusion

In view of the foregoing, on behalf of the Team, SDG&E hereby withdraws the January 18 Proposal applicable to the P&P and WIS Manuals.

Respectfully submitted,
