BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Develop the Commission's Energy Efficiency Strategic Plan.

FILED
PUBLIC UTILITIES COMMISSION
JULY 10, 2008
SAN FRANCISCO, CALIFORNIA
RULEMAKING 08-07-011

Joint Application of Pacific Gas and Electric Company (U39E), Southern California Edison Company (U338E), San Diego Gas & Electric Company (U902E), and Southern California Gas Company (U904G) Submitting the California Energy Efficiency Strategic Plan.

Application 08-06-004
(Filed June 12, 2008)

ASSIGNED COMMISSIONER'S AND ADMINISTRATIVE LAW JUDGE'S RULING REGARDING INITIAL SCHEDULE ON STRATEGIC PLAN

This ruling seeks comments on the Draft Commission California Strategic Plan for Energy Efficiency (or Draft Strategic Plan) and sets a schedule for this proceeding.

The Commission has recently issued Rulemaking (R.) 08-07-011 in continuation of our efforts to ensure efficient use of energy resources in California through development of a Commission-sponsored California Strategic Plan for Energy Efficiency through 2020 and beyond. This rulemaking is

consolidated with Application (A.) 08-06-004, the joint utilities' proposed California Energy Efficiency Strategic Plan.¹

Attached is the Draft Strategic Plan which draws from the joint utility filing in A.08-06-004 and the appendices thereto, the July 9 comments on that filing, and the Commission directives in Decision (D.) 07-10-032. As set forth in the OIR, we seek comment on the following issues:

- What strategies encompassed in the CEESP application should be adopted in a Commission Strategic Plan?
- What strategies delineated in the CEESP application should be modified for adoption in a Commission Strategic Plan, and how?
- What strategies not discussed in the CEESP application should be added and adopted in a Commission Strategic Plan?
- What strategic roles should the Commission take in working with other governmental agencies and other non-jurisdictional stakeholders in support of a Commission Strategic Plan?
- What market transformation strategies, including new or different organizational structures, should a Commission Strategic Plan address or contemplate? ? In addition, how should the Commission define market transformation and what standards should be used to determine when market transformation has occurred?
- How should a Commission Strategic Plan coordinate energy efficiency plans with demand response plans and solar programs?

¹ Pacific Gas and Electric Company, Southern California Edison Company, San Diego Gas & Electric Company, and Southern California Gas Company filed this application on June 2, 2008.

- What specific low-income energy efficiency strategies should be encompassed in a Commission Strategic Plan?
- What process should be used to update the Commission Strategic Plan?

In addition, we seek comment on what programs should be included in the IOUs portfolios to further the goals of the Strategic Plan, with specific emphasis on the IOUs' 2009-2011 portfolios.

The schedule for the Strategic Plan is as follows:

Event	Date
<p>Prehearing conference and public workshop</p> <p>At this prehearing conference and workshop, we will discuss issues raised by the CEESP application, the staff draft Strategic Plan and the issues in the Rulemaking. We anticipate that Commission staff will present the attached modified draft Strategic Plan, and explain the differences from the plan filed with Application 08-06-004.</p>	<p>July 18, 2008, at 10:00 a.m., Commission Auditorium, State Office Building, 505 Van Ness Avenue, San Francisco, CA (this was previously noticed in A.08-06-004 on June 30, 2008)</p>
<p>Opening Comments on the attached draft Strategic Plan filed.</p>	<p>July 31, 2008</p>
<p>Reply Comments on the attached draft Strategic Plan filed.</p>	<p>August 7, 2008</p>

We anticipate a further schedule will issue in a scoping memo after the conclusion of the prehearing conference and workshop.

IT IS RULED that the above initial schedule is adopted concerning the California Strategic Plan for Energy Efficiency.

Dated July 14, 2008, at San Francisco, California.

/s/ DIAN M. GRUENEICH

Dian M. Grueneich
Assigned Commissioner

/s/ JANET A. ECONOME for

David M. Gamson
Administrative Law Judge

INFORMATION REGARDING SERVICE

I have provided notification of filing to the electronic mail addresses on the attached service list.

Upon confirmation of this document's acceptance for filing, I will cause a Notice of Availability of the filed document to be served upon the service list to this proceeding by U.S. mail. The service list I will use to serve the Notice of Availability of the filed document is current as of today's date.

Dated July 14, 2008, at San Francisco, California.

/s/ FANNIE SID
