**SUBCONTRACTING PLAN AND REPORTING REQUIREMENTS**

- I. Bidder Subcontracting Plan Requirements
  - A. While it is not a requirement to subcontract any portion of work contained in this Proposal Request, whether or not a bidder indicates the use of subcontractors or subsuppliers in its proposal, the Bidder's proposal MUST INCLUDE the following:
    - 1. A completed "SUBCONTRACTING AND REPORTING PLAN."
  - B. When completing the "SUBCONTRACTING AND REPORTING PLAN," bidder shall assume 100% of the work will be awarded. Upon notification by EDISON of an award for less than 100% of the Proposal Request requirements, the selected bidder(s) shall submit within ten (10)days of such notification, an amended "SUBCONTRACTING AND REPORTING PLAN" reflecting the applicable reductions.
  - C. EDISON's goals are to award thirty percent (30%) of its purchases to Women and Minority Business Enterprises and one point five percent (1.5%) of its purchases to Service-Disabled Veteran Business Enterprises (collectively WMDVBEs). A Supplier's good faith efforts to subcontract with WMDVBEs is a factor that will be considered in the bid evaluation process. The "SUBCONTRACTING AND REPORTING PLAN" will be used as a factor in evaluating a bidder's good faith efforts to subcontract with WMDVBEs. Other information provided with the bidder in its proposal will also be considered.
  - D. Should those WMDVBEs identified in the bidder's proposal not be available at the commencement of work, EDISON expects the successful bidder to attempt to subcontract with WMDVBEs to the same extent as identified in its proposal.
  - E. If the bidder is currently verified as a WMDVBE and has not submitted certification to Edison, the Bidder should provide a copy of the documentation that granted such status. The documentation shall clearly show the verifying agency and expiration date.
    - 1. Verification as a WMDVBE does not exempt bidder from Edison's consideration of its good faith efforts to subcontract with WMDVBEs.
    - 2. It is Edison's policy that the WMDVBE status of bidders may not be taken into consideration in the evaluation of bids.
- II. Reporting Requirements

During the effective period of the purchase order, contractor shall provide, in a quarterly basis and again upon Edison's final acceptance of the work, an updated "SUBCONTRACTING AND REPORTING PLAN" reflecting the actual payments made to the subcontractors/subsuppliers. **Such reports shall be provided as requested in the purchase order.**
