Disability Rights Advocates (“DisabRA”) submits these comments to express its ongoing interest in the renter access and AB 2104 issues. Given that one in four low income households in California have a member with a disability, the low income programs affected by both renter issues and the implementation of AB2104 are of particular importance to persons with disabilities. DisabRA looks forward to reviewing the comments of the utilities and to evaluating their response to the needs of persons with disabilities in the context of these issues.

With regard to renter issues, DisabRA does not respond substantively to the questions posed at this time. However, to the extent that outreach efforts to renters is discussed, DisabRA requests that this proceeding take steps to ensure that the utilities provide outreach that is accessible and utilizes disability-related CBOs if appropriate.

With regard to the implementation of AB2104, DisabRA does not respond substantively to the questions posed at this time. However, to the extent that communication with and outreach to sub-metered tenants is discussed, DisabRA requests that this proceeding take steps to ensure that the utilities provide communication that is accessible and utilizes disability-related CBOs if appropriate.

DisabRA looks forward to reviewing the comments of the utilities and to working with the utilities to ensure that persons with disabilities have full and equal access to both of these low income programs.

Signed: June 4, 2007

Respectfully Submitted,
