## WEDNESDAY, DECEMBER 5, 2018 LOW INCOME OVERSIGHT BOARD MEETING

### SHARE YOUR VALUABLE INSIGHT AND IDEAS WITH THE CPUC'S LOW INCOME OVERSIGHT BOARD!

The Low Income Oversight Board (LIOB) advises the California Public Utilities Commission (CPUC) on electric, gas, and water policies that are designed to benefit low income utility customers.

The LIOB is strengthening its relationship with community-based and non-profit organizations who serve similar audiences and that focus on topics and issues that complement the LIOB's mission, vision, and guiding principles.

**In the spirit of continuous improvement, we invite your feedback about ways we can encourage organizations like yours to participate.**

Feel free to suggest a presentation, discussion item or panel, proposed speakers, etc. to determine the agenda for the next LIOB meeting.

Whether you have been able to attend a meeting yet or not, please feel free to reply to this email with your suggestions.

*The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.*
