

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF  
CALIFORNIA**

Order Instituting Rulemaking Regarding Policies,  
Procedures and Rules for the Low Income Energy  
Efficiency Programs of California's Energy Utilities.

Rulemaking 07-01-042

Southern California Edison Company's (U 338-E)  
Application for Approval of SCE's "Change a Light,  
Change the World," Compact Fluorescent Lamp Program.

Application 07-05-010

**The Joint Motion of the Association of California Community and Energy Services  
and A W.I.S.H to Consolidate and Extend the Periods for Comments on Natural  
Gas Testing Issues and Issues Raised in the KEMA Report**

On September 14, 2007, the ALJ in this proceeding issued a "Ruling Seeking Responses to Questions on Furnace Programs and Natural Gas Appliance Testing," and set a due date of October 4. That ruling refers to "June 25 NGAT Follow-up Technical Workshop Notes." Those notes were originally emailed by CPUC staff to parties on June 28. The last sentence in those notes reads, "Items requiring further study will be researched by Jim O'Bannon and reported back to the Commission staff." The material researched by Mr. O'Bannon was sent to CPUC staff on August 9, but was not distributed to parties until yesterday, September 27, 2007. We believe we need more time to review Mr. O'Bannon's recommendations.

Also on September 27, the ALJ issued a "Ruling Seeking Comments on Issues Raised in the KEMA Report and on Natural Gas Appliance Testing Issues," with a due date of October 9. The KEMA Report is nearly 250 pages long. And while it is true the Report was distributed to parties on September 21, not until the ALJ issued her ruling yesterday did we know which of the 250 pages upon which we should focus our attention. We believe we need more time to review the KEMA Report.

Therefore, to give parties more time to prepare responses and comments, and to simplify the filing of initial comments and replies, we move to consolidate the September 14 and September 27 ALJ rulings, and set a due date for responses to both sets of questions to be filed as one document on October 16, with replies due October 23.

In the alternative, if the Commission does not wish to consolidate the two rulings, we request that the comment dates simply be extended for five additional days.

We recognize there is sometimes a tension between the need to issue decisions by a certain date and the need to build a record of quality. We believe a higher quality record will be created if parties are allowed more time to submit comments.

////

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James Hodges". The signature is fluid and cursive, with a long horizontal stroke at the end.
