**I. INTRODUCTION**

Pursuant to Rule 11.1 of the California Public Utilities Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company and San Diego Gas & Electric Company (collectively "Joint Utilities") respectfully request that Administrative Law Judge Kim Malcolm issue an ALJ Ruling granting Joint Utilities' request for an expedited schedule as proposed in the *Joint Petition of Pacific Gas and Electric Company and San Diego Gas and Electric Company to Modify Decision 06-12-038 to Delay the Competitive Bid Process*

*for Low Income Energy Efficiency (LIEE) for One Year and Competitively Hire LIEE Prime Contractors or Program Implementation Contractors for 2009 and Beyond (“Joint Petition to Modify”).*

## **II. DISCUSSION**

Simultaneously with the filing of this Joint Motion, Joint Utilities filed a Joint Petition to Modify D.06-12-038 requesting permission to extend their current LIEE prime contractor’s contracts for one year until the end of 2008. The Joint Petition to Modify also makes a corresponding request to delay competitively hiring new LIEE prime contractors or program implementation contractors until the next LIEE program cycle commencing in 2009. As described more fully in the Joint Petition to Modify, the Utilities would each need to issue a request for proposals (RFP) within the next four weeks if D.06-12-038 is not modified and a competitive bid is required to hire LIEE contractors for the respective Utilities’ 2008 LIEE programs. If the Joint Petition to Modify is not decided on an expedited basis, the resulting Decision would be issued too late for the Utilities to complete the competitive bid process and ensure that the new prime contractors or program implementation contractors are ready to implement the program at the beginning of 2008. To avoid a disruption in the Joint Utilities’ LIEE programs, Joint Utilities request expedited treatment of the Joint Petition to Modify as set forth below:

<b>Proposed Expedited Schedule</b>	
Joint Petition to Modify Filed	April 10, 2007
Responses to Petition Due	April 17, 2007
Reply to Responses to Petition	April 19, 2007
Commission Decision	May, 2007

### III. CONCLUSION

For the reasons stated above, as well as in *Joint Petition of Pacific Gas and Electric Company and San Diego Gas and Electric Company to Modify Decision 06-12-038 to Delay the Competitive Bid Process for Low Income Energy Efficiency (LIEE) for One Year and Competitively Hire LIEE Prime Contractors or Program Implementation Contractors for 2009 and Beyond*, Joint Utilities respectfully request an ALJ Ruling approving the proposed expedited treatment of Joint Utilities Petition to Modify D.06-12-038, as detailed above.

Respectfully submitted,
