Public Utilities Commission of the State of California

Pacific Gas and Electric Company (PG&E) is filing this supplemental Advice Letter with tariff sheets that complement those filed in Advice 2643-G/2677-E seeking to revise Form 62-1198— California Alternate Rates for Energy Program Application for Qualified Agricultural Employee Housing Facilities and submitting a new Form 61-0535— California Alternate Rates for Energy Program Application for Office of Migrant Services/Non-profit Migrant Farm Worker Housing Centers, as authorized by Decision (D.)05-04-052. The affected tariff sheets are listed on the enclosed Revised Attachment I.

### **Background**

On June 17, 2005, PG&E filed Advice 2643-G/2677-E in compliance with D.05-04-052. Decision 05-04-052, Ordering Paragraphs 24, 25, and 26 ordered:

- the utilities to create a new application for migrant housing centers that did not include the previous requirement that 100% of OMS farmworker housing center residents be eligible for CARE;
- non-profit farmworker housing centers, even if not managed by OMS, shall receive the CARE discount; and
- the IOUs shall use their best efforts to enroll all residents of OMS and non-profit migrant housing centers in the CARE program within 60 days.

PG&E worked with the other utilities to revise the applications consistently and was in contact with its OMS centers to help them automatically enroll with this new application. Advice 2643-G/2677-E submitted the revised and new applications for Commission approval.

On July 7, 2005, PG&E received notice that Advice 2643-G/2677-E was suspended for staff review. Pending staff review, PG&E identified changes to its Gas and Electric rules that will need modification to ensure consistency with the changes to the forms mentioned above.

In addition, PG&E is modifying the amount of time to recertify from 60 days to 90 days. Company practice has been 90 days, and it allows flexibility for the customer to respond to PG&E for recertification.

Gas and Electric Rule 19.1 is modified by:

- Deletion of "Employee" from "Qualified Agricultural ~~Employee~~ Housing Facility"

**A. GENERAL**

The Low-Income Ratepayer Assistance (LIRA) program was established by the Commission in Decisions 89-07-062 and 89-09-044. The program was revised in Decision No. 94-12-049 and the name changed to California Alternate Rates for Energy (CARE). The purpose of the CARE program is to provide qualifying residential applicants with reduced energy charges. Application for the rate may be made by individually metered PG&E Customers, master-metered Customers with qualifying submetered tenants, submetered tenants of master-metered PG&E Customers, or any permanent resident in an individually metered residential dwelling unit, except non-submetered tenants of master-metered Customers and any applicant/Customer currently receiving service under Schedule G-10.

Qualifying applicants for CARE shall be placed on the CARE rate starting with the next regular meter reading date following receipt of such application by PG&E.

A Nonprofit Group-Living Facility may qualify for CARE, if it meets the eligibility criteria set forth in Rule 19.2. A Qualified Agricultural Housing Facility may qualify for CARE, if it meets the eligibility criteria set forth in Rule 19.3. (T)

**B. ELIGIBILITY**

To be eligible to receive CARE the applicant (except in the case where a master-metered Customer submeters qualifying CARE applicants) must qualify under the eligibility criteria set forth in either Section 1 or 2, below, and meet the certification requirements thereof to the satisfaction of PG&E. Individually metered applicants/Customers may qualify for CARE at their primary residence only.

The completed application must be submitted to PG&E. PG&E will randomly verify the eligibility of applicants following enrollment.

**RULE 19.1—CALIFORNIA ALTERNATE RATES FOR ENERGY FOR INDIVIDUAL CUSTOMERS  
AND SUBMETERED TENANTS OF MASTER-METERED CUSTOMERS**

(Continued)

**D. RECERTIFICATION REQUIREMENTS**

1. Certification of individually-metered PG&E Customers is valid for a period of two years, except as provided in Section F.
2. Certification of submetered tenants of master-metered Customers is valid for one year, except as provided in Section F.

Applicants either suspected of or proven to have provided incorrect information in their application for CARE may be required to recertify at any time. Further, PG&E reserves the right to conduct random audits to determine applicants' eligibility. Failure by any party asked to provide proper proof of eligibility will result in disqualification of applicant's eligibility to receive the CARE rate. PG&E may rebill Customers removed from the program for previous discounts received for which the participant did not qualify.

Upon PG&E's request that the applicant recertify eligibility following the regular expiration date of applicants' eligibility, the applicant will have 90 days to recertify, after which applicants not recertified will lose their eligibility under the CARE program.

(T)

It is the responsibility of the applicant to immediately notify PG&E when the applicant is no longer eligible for the CARE program.

Further, PG&E reserves the right to conduct random audits to determine Nonprofit Group-Living Facility eligibility. Failure by any party to provide proper proof of eligibility will result in the removal of the Nonprofit Group-Living Facility from the CARE rate.
