**COMPLIANCE FILING OF SOUTHERN CALIFORNIA EDISON COMPANY (U-338 E)
REGARDING ASSEMBLY BILL 2104 COMPLIANCE**

Pursuant to Ordering Paragraph 6 of Decision (D.) 07-12-051, which requires that “[e]very electric or gas utility offering California Alternate Rates for Energy (CARE) discounts to the eligible tenants of master-meter customers shall, no later than January 15, 2008, file an affidavit in this proceeding that certifies the utility’s compliance with Assembly Bill (AB) [2104],”¹ Southern California Edison Company (SCE) hereby submits an affidavit certifying its compliance with AB 2104. The affidavit is attached hereto as Attachment A, and briefly describes SCE’s compliance with the following elements of AB 2104:

- a) Develop processes whereby SCE is able to directly accept CARE applications from tenants of a mobilehome park, apartment building, or similar residential complex;

¹ D.07-12-051 mistakenly refers to AB 2140 instead of AB 2104.

- b) Develop processes whereby SCE is able to directly notify and provide renewal applications to tenants of a mobilehome park, apartment building, or similar residential complex, that are existing CARE customers; and
- c) Develop processes whereby SCE provides each master-meter customer that is subject to Section 739.5 with a list of tenants who are approved to receive discounts pursuant to the CARE program. The list shall specifically identify those tenants added to or deleted from CARE program eligibility since their previous billing cycle.

Respectfully submitted,

AFFIDAVIT

I, Erwin Furukawa, being first duly sworn, declare and state:

1. I am Vice President of Customer Programs and Services at Southern California Edison Company (SCE). This affidavit is made in accordance with Ordering Paragraph 6 of Decision 07-12-051 dated December 20, 2007 in Rulemaking 07-01-042, which requires that "[e]very electric or gas utility offering California Alternate Rates for Energy (CARE) discounts to the eligible tenants of master-meter customers shall, no later than January 15, 2008, file an affidavit in this proceeding that certifies the utility's compliance with Assembly Bill (AB) [2104]" and that the "affidavit shall briefly describe the utility's processes" for complying with AB 2104. I have personal knowledge of the facts and representations herein and, if called upon to testify, could and would do so, except for those facts expressly stated to be based upon information and belief, and as to those matters, I believe them to be true.

2. AB 2104 states that the "Public Utilities Commission shall, by December 31, 2007, improve the California Alternate Rates for Energy or CARE program application process for tenants of a mobilehome park, apartment building, or similar residential complex, receiving electric or gas service from a master-meter customer through a submetered system pursuant to Section 739.5, by doing both of the following:"

- a. “Developing processes whereby electrical corporations and gas corporations are able to directly accept CARE applications from tenants of a mobilehome park, apartment building, or similar residential complex.”
- b. “Developing processes whereby electrical corporations and gas corporations are able to directly notify and provide renewal applications to tenants of a mobilehome park, apartment building, or similar residential complex, that are existing CARE customers.”

3. AB 2104 also states that “[t]he Public Utilities Commission shall, by December 31, 2007, improve the CARE program by developing a process whereby each electrical corporation and gas corporation is required to provide each master-meter customer that is subject to Section 739.5 with a list of tenants who are approved to receive discounts pursuant to the CARE program. The list shall specifically identify those tenants added to or deleted from CARE program eligibility since the previous billing cycle.”

4. I am informed and believe that SCE has complied with the requirement set forth in Paragraph 2(a) above by doing the following: Tenants may complete a CARE/FERA tenant application and remit to SCE directly. No change was necessary to fulfill this requirement.

5. I am informed and believe that SCE has complied with the requirement set forth in Paragraph 2(b) above by doing the following: In July 2007, in connection with and in addition to the annual CARE recertification notices that are sent to master-meter customers for distribution to their tenants each year in July, SCE implemented a process whereby a query is run to generate a list of tenants (including their names and addresses) who are existing CARE customers, and those tenants are directly mailed a CARE recertification application.

6. I am informed and believe that SCE has complied with the requirement set forth in Paragraph 3 above by doing the following: Effective December 2007, each master-meter customer subject to Section 739.5 is mailed a list of tenants after their monthly bill is issued. The list is divided into two sections: (1) Tenants *with* a change in CARE/FERA activity since the last bill date of the master-meter customer, which also further specifies whether the tenant was newly enrolled, recertified, or removed from

CARE or FERA, and (2) Tenants *without* a change in CARE/FERA activity since the last bill date.

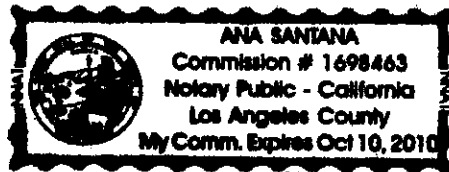

I declare under penalty of perjury of the laws of the State of California that the foregoing is true and correct.

Executed on the 14 day of January, 2008 at Rosemead, California.
