LOW INCOME ASSISTANCE PROGRAMS MONTHLY REPORT

1. LIEE Executive Summary

1.1. Low Income Energy Efficiency Program Overview

1.1.1. Provide a summary of the LIEE Program elements as approved in Decision 08-11-031:

Program Summary for Month			
2010	Authorized / Planning Assumptions	Year-to-Date Actual	%
Budget	\$61,561,081	\$64,983,944	106%
Homes Treated	104,500	121,868	117%
kWh Saved	29,743,228	34,916,396	117%
kW Demand Reduced	9,676	9,821	101%
Therms Saved	N/A	N/A	N/A

1.2. Whole Neighborhood Approach Evaluation

1.2.1. Provide a summary of the geographic and customer segmentation strategy employed, (i.e. tools and analysis used to segment “neighborhoods,” how neighborhoods are segmented and how this information is communicated to the contractor/CBO).

Throughout the month of December 2010, Southern California Edison (SCE) continued to promote its Income Qualified and Energy Efficiency programs through various community events within the SCE service territory. Three community events were held within the cities of Los Angeles, San Gabriel and Garden Grove where more than 350 customers interacted with SCE and obtained information on the Energy Management Assistance Program (EMA) and Energy Efficiency in general.

1.3. LIEE Customer Outreach and Enrollment Update

1.3.1. Provide a summary of the LIEE Program outreach and enrollment strategies deployed this month.

On December 14, 2010, in partnership with the Southern California Gas Company (SoCal Gas), SCE participated in Univision’s “A Su Lado” (By Your Side) segment. This segment runs during Univision’s KMEX live morning newscast (5a.m. to 8 a.m.) and provides life saving and life changing information to the Latino community. During this opportunity, SCE promoted the EMA, CARE and FERA Programs, and SCE and SoCal Gas representatives answered questions over the telephone for the purpose of

increasing awareness of the Income Qualified programs. Over 300 leads were received during that morning broadcast.

SCE continues to enroll customers through the paperless enrollment process which utilizes tablet PCs and portable scanners during the assessment process to streamline and expedite enrollments. This process complements the Whole Neighborhood Approach by reducing the program's carbon footprint and maximizing efficiencies. To date, 15 assessors from 5 different service providers have been utilizing the Tablet PC and its use has been attributed to enrolling over 6,000 customers

SCE continues to conduct an outbound calling effort which targets customers who have been previously cancelled during the enrollment process. The intent of this ongoing effort is to communicate with all possible customers who might have been previously interested in the EMA Program and reinstate those leads. As a result of this effort, over 75 leads were reinstated and referred out in the month of December 2010.

1.4. Leveraging Success Evaluation, Including CSD

- 1.4.1.** Please provide a status of the leveraging effort with CSD.
What new steps or programs have been implemented?
What was the result in terms of new enrollments?

For the past several years, SCE has provided refrigerators to contractors at no cost to the LIHEAP program for installation through the LIHEAP program. SCE believes this approach will enable contractors to utilize measures and services from both the LIHEAP and EMA programs to better serve our customers. SCE continues to work with DCSD, service contractors, and the Commission in efforts to successfully leverage EMA and LIHEAP services.

1.5. Workforce Education & Training

- 1.5.1.** Please summarize efforts to improve and expand LIEE workforce education and training. Describe steps taken to hire and train low income workers and how such efforts differ from prior program years.

In Decision 07-12-051, the Commission stated that "(t)he LIEE portion of the statewide strategic plan should include specific training strategies for reaching disadvantaged communities." SCE's contractors, and particularly community-based organizations (CBOs), are situated in low-income and disadvantaged communities and provide jobs within these communities. Currently, these organizations provide over 1,100 jobs that support SCE's LIEE Program, including executive, clerical and other ancillary positions.

During the 2010 Program Year, SCE facilitated 15 Home Assessment Training workshops which provided training to agency outreach staff on the policies and procedures related to home assessment. The two-day training workshop includes comprehensive instruction on income documentation, customer and measure eligibility, and customer service. As a result of the Home Assessment

Training workshops, 328 new jobs for assessors have been created to support SCE's LIEE program.

During the month of December 2010, SCE provided Home Assessment Training to a new service provider for the EMA Program. In addition to the Recertification Workshops, SCE conducted database training to existing service providers to maintain continued proficiency in documentation of program activity.

2.2. Outreach

2.2.1. Discuss utility outreach activities and those undertaken by third parties on the utility's behalf.

SCE continues to include a CARE enrollment application in the Welcome Kit that is provided to residents requesting new service or transfers of service. There have been 25,536 CARE customers enrolled as of December 31, 2010 attributable to this effort.

In March 2010, SCE sent out approximately 280,000 bilingual direct mailers containing

a CARE enrollment application targeted to customers not already enrolled in the CARE program. As of December 31, 2010, SCE received 12,813 applications attributable to this effort resulting in 9,224 enrollments and 1,212 recertifications.

As part of the CARE Annual Solicitation process in June 2010, SCE included CARE enrollment applications in the bills of non-CARE customers. Due to this effort, SCE received 28,920 CARE applications that resulted in 21,624 new enrollments and 3,823 recertifications.

In November 2010, SCE conducted a direct mail campaign to customers who failed to recertify their CARE eligibility. As of December 31, 2010, SCE received 2,845 applications attributable to this effort resulting in 1,647 new enrollments and 572 recertifications. SCE will undertake an additional campaign in January 2011 as a follow-up for those customers who did not respond to the November 2010, direct mail campaign in an effort to re-enroll eligible customers in the CARE Program.

SCE also conducted an Interactive Voice Responsive (IVR) campaign in November 2010, to underpenetrated areas within SCE's service territory. An additional direct mail campaign was conducted in December 2010, to those customers who did not respond to the IVR campaign.

In December 2010, SCE launched its first CARE email blast to 55,000 income-qualified non-CARE customers. Preliminary results have shown that 30.73% of the targeted customers have opened the email, and 3.25% of those customers have clicked on at least one link.

On December 14, 2010, SCE partnered with SoCal Gas to leverage an opportunity with Univision's "A Su Lado" ("By Your Side"). This segment, which runs within Univision's KMEX live morning newscast (5:00 a.m. to 8:00 a.m.), provides life saving and life changing information to the Latino community. SCE used this opportunity to promote the EMA, CARE, and FERA programs. Additionally, SCE and SoCal Gas representatives answered questions over the telephone and assisted customers with program enrollment as a way to stimulate increased program awareness.

SCE's Customer Communications Organization within SCE's Call Centers continues to utilize the online CARE enrollment application at www.sce.com to directly enroll eligible customers in the CARE program via the telephone or by offering the option to mail a CARE application to the customer. As of December 31, 2010, there have been 119,340 customers enrolled in the CARE Program through the Call Centers outreach efforts.

CARE and FERA outreach efforts and communications to SCE's in-language and under-penetrated areas continue to be a priority. SCE's CARE and FERA Programs partner with internal departments such as Equal Opportunity, Local Public Affairs (LPA), Consumer Affairs, Customer Experience Management, Corporate Communications Community Involvement, Speakers Bureau, Business Solutions, the Mobile Energy Unit (MEU), employee volunteer-based affinity groups, and external organizations such as the Long Beach Housing Authority, the City of Long Beach's Neighborhood Services

Bureau, as well as various chambers, foundations, faith-based and community-based organizations in outreach activities to target SCE's hard-to-reach customer base.

During December 2010, SCE's CARE and FERA programs had a presence at 6 outreach events through these partnerships wherein thousands of CARE applications were distributed to potentially eligible customer populations throughout SCE's service area (see table below). At many of these events, eligible customers had the opportunity to enroll or recertify for CARE via the real-time online enrollment application available on www.sce.com and learn about the programs directly from a CARE/FERA subject matter expert. Such events provide SCE with the opportunity to uphold a presence in the community, continue to educate the public about SCE program offerings, and enroll eligible customers. Upholding this presence in the community has become a vitally important component of program outreach as the current economic climate continues to impact SCE's customers, bringing a newly eligible customer base.

Event Name	City	Event Date	Estimated # of Customers SCE Interacted with	Event Description
Utility Forum with Mike Davis	Los Angeles	12/4/2010	110	Attendees received information regarding CARE, FERA & EMA Programs
Community Union Non Profit Collaborative	East Los Angeles	12/7/2010	25	Attendees received information regarding CARE, FERA & EMA Programs
Southern California Rehabilitation Services	Downey	12/9/2010	45	Attendees received information regarding CARE, FERA & EMA Programs

Univision KMEX "A Su Lado"	Burbank	12/14/2010	Unknown	Viewers & callers received information about the CARE & EMA programs. Eligible customers were enrolled in the program(s) over the phone
United Domestic Workers Health Fair	Garden Grove	12/18/2010	450	SCE hosted a booth promoting the CARE, FERA & EMA Programs

Beginning July 12, 2010, SCE's Home Energy Efficiency Survey (HEES) launched a new pilot initiative where, at the end of every survey, the customer is informed about the CARE Program and referred to the Income Qualified Programs section of SCE's website to obtain more information.

The CARE/FERA Capitation Fee Project team is continuing its efforts to re-engage existing Capitation agencies while strategically registering additional agencies to assist in overcoming enrollment barriers such as language, cultural, and special needs as a means of enrolling the hardest-to-reach customers. Due to these efforts, the Capitation Fee Project continues to show increased enrollments from agencies that had been previously inactive. In December 2010, Capitation agencies enrolled 2,067 newly eligible customers in the CARE Program.

In support of SCE's initiative to enroll hard-to-reach SCE customers in the month of December 2010, CARE Program Management registered the following three organizations as SCE Capitation agencies:

- Making A Way Foundation
- Home of Neighborly Service
- Go! The Calendar Shop (formerly Liberty Tax Service)

Current campaign strategies and efforts include the following:

- Leverage sponsored community events to reach potential eligible populations for CARE or FERA enrollment, including food distributions and cultural celebrations;
- Partner with SCE personnel in other internal departments to leverage existing SCE partnerships with faith based organizations (FBOs), CBOs and local governments;

- Partner with public entities to leverage existing relationships with businesses, FBOs and CBOs to reach eligible customers through existing municipal channels; and
- Leverage existing channels to develop creative approaches for contractors to conduct CARE/FERA outreach, including food and clothing distribution events, employment information workshops, farmers' markets, faith and community based publications, school events, and community fairs.

2.2.2. Describe the efforts taken to reach and coordinate the CARE program with other related low income programs to reach eligible customers.

SCE also enrolls new CARE customers through the Energy Assistance Fund program, a program which provides utility payment assistance through voluntary customer and employee donations.

CARE enrollment is coordinated with other low income programs such as LIEE and LIHEAP. LIEE measure recipients are automatically enrolled in CARE each month, and LIHEAP payment recipients are automatically enrolled in CARE on a quarterly basis. In December 2010, 185 eligible customers were enrolled in the CARE Program as a result of this data sharing with LIEE.

The CARE Program continuously integrates its efforts and messaging with the EMA program at all outreach events, communications, and marketing campaigns, and LIEE measure recipients are automatically enrolled in the CARE Program. As of November 30, 2010 there have been 426 eligible customers enrolled through these efforts.

2.3. Recertification Complaints

SCE received two recertification complaints in December 2010. The first complaint was due to the customer failing to return their recertification request prior to the expiration date. The customer returned the recertification request 30 days later and was re-enrolled in the CARE Program. The customer requested retroactive credit for the 30 days removed from CARE. SCE denied the request for the retroactive credit. SCE received a second complaint also due to a customer who failed to return his/her recertification request prior to the expiration date. The second complaint is still being researched and will be reported in the January 2011 report.

22	^[3] Enrollments via data sharing with programs outside the IOU that serve low-income customers.																	
23	^[4] One-E-App is a pilot program set up by The Center to Promote Healthcare Access (the Center) and PG&E. The pilot will occur within two PG&E counties and looks to implement a strategy of automatic enrollment for low-income customers into the CARE program based on the customer's application or reapplication for related low income health and social welfare services (e.g. Medi-CAL, Healthy etc.,) The goal is to develop another means by which low income families can be introduced into the CARE program and depending on the success of the pilot to other counties within PG&E's territory as well as the other IOUs.																	
24	^[5] Not including Recertification.																	
25	^[6] Recertification results are tied to the month initiated. Therefore, recertification results may be pending due to the time permitted for a participant to respond.
