R. 04-01-006

**SUPPLEMENT TO MONTHLY REPORT OF SOUTHERN CALIFORNIA GAS  
COMPANY (U 904 G) ON WINTER INITIATIVE FOR DECEMBER 2005  
REQUIRED BY ORDERING PARAGRAPH 19 OF DECISION 05-10-044**

**I. Introduction**

Southern California Gas Company ("SoCalGas") files this supplement to its December monthly report to comply with Decision ("D.") 05-10-044, "Interim Opinion Approving Various Emergency Program Changes in Light of Anticipated High Natural Gas Prices in the Winter of 2005-2006," issued herein on October 27, 2005. Specifically, Ordering Paragraph ("OP") 19 of D.05-10-044 provides:

Each utility shall file monthly reports, this winter, due no later than the seventh of each month, December through May, presenting the percentage of residential accounts being paid in full when due, paid between 50-99%, and paid at less than the 50% trigger for shut-off protection, separately tracked by CARE, medical baseline and non-CARE customers (and FERA where applicable), and including shut-off figures for each of these customer groups.

SoCalGas filed its December report on December 6, 2005, stating that the shut-off figures for its customers would not be available until January 9, 2006, and that SoCalGas would file a supplemental report reflecting the shut-off figures when they became available.

**I. Description of Report**

**A. 19-Day Report**

Consistent with OP 19, SoCalGas here provides a supplemental report that reflects bill payment status for residential accounts as of the due date, which is 19 calendar days from the mail date of the bill. See Attachment 1, hereto. The report was updated to reflect the shut-off figures for these customer groups.

**III. Conclusion**

Accordingly, SoCalGas here files this supplemental report, reflected on Attachment 1 to comply with OP 19.

Respectfully submitted,
