**MONTHLY REPORT OF SAN DIEGO GAS & ELECTRIC COMPANY (U 902 M) ON
LOW-INCOME ASSISTANCE PROGRAMS FOR NOVEMBER 2010**

This is the eleventh monthly report of program year (PY) 2010. The purpose of this report is to consolidate activity for the CARE and LIEE programs and provide the Energy Division with all the necessary information to assist in analyzing the low-income programs.

This report presents year-to-date LIEE and CARE results and expenditures through November 2010 for San Diego Gas & Electric Company (SDG&E).

Respectfully Submitted,

/s/ Kim F. Hassan

LOW-INCOME ENERGY EFFICIENCY PROGRAM MONTHLY REPORT

1. LIEE Executive Summary

1.1. Low-Income Energy Efficiency Program Overview

1.1.1 Provide a summary of the LIEE Program elements as approved in Decision (D.) 08-11-031:

LIEE Program Summary for Month			
	Authorized / Planning Assumptions	Actual to Date	%
Budget	\$21,184,008	\$15,864,237	75%
Homes Treated	20,384	18,660	92%
kWh Saved	8,887,914	5,626,013	63%
kW Demand Reduced	2,010	540	27%
Therms Saved	478,745	279,492	58%
GHG Emissions Reduced	7,661	4,729	62%

SDG&E enrolled 882 customers in the LIEE program during the month of November and 18,600 year-to-date. This is 92% of the 2010 annual goal. Of those enrolled year-to-date, 18,660 have been expensed and counted as homes treated.

As a result of the enrollments and homes treated this year, SDG&E has saved 5,626,013 kWh, reduced 540 kW of demand, saved 279,492 therms and reduced 4,729 tons of green house gas (GHG) emissions.

Through marketing and outreach efforts, SDG&E generated a total of 2,516 leads for the LIEE program in November, and is currently working to convert these leads into enrollments and homes treated.

1.2 Whole Neighborhood Approach Evaluation

1.2.1. Provide a summary of the geographic and customer segmentation strategy employed, (i.e. tools and analysis used to segment "neighborhoods," how neighborhoods are segmented and how this information is communicated to the contractor/CBO).

SDG&E continues to utilize the information provided by Claritas, called PRIZM codes, which are assigned to customer records to target customers with high potential for eligibility. This allows SDG&E to support WNA efforts by targeting neighborhoods based on demographic and behavioral data indicating the residents are income-qualified.

1.3 LIEE Customer Outreach and Enrollment Update

1.3.1. Provide a summary of the LIEE program outreach and enrollment strategies deployed this month.

Direct marketing - In November, direct marketing efforts included direct mail, automated outbound calling and door-to-door canvassing.

- **Direct Mail**

SDG&E mailed LIEE program information to 7,812 households with high potential for LIEE eligibility in November. A total of 297 leads were generated from November mailings, and a total of 90 households were enrolled based on previous and current direct mail efforts.

- **Automated Outbound Calling**

SDG&E contacted 26,567 households about the LIEE program through automated outbound calls during November. From these calls, 393 leads were generated and 61 of these leads were converted into enrollments.

- **Door-to-Door Canvassing**

SDG&E's door-to-door canvassing contractor, Richard Heath & Associates (RHA) continued to canvass the SDG&E service territory in November, calling on 12,207 homes. RHA generated 505 leads and converted 482 of those leads into enrollments.

1.3.2 Customer Assistance Marketing, Education and Outreach for the CARE and LIEE programs.

In November, SDG&E continued to jointly promote CARE and LIEE with advertising, public relations and community outreach.

- **Advertising**

SDG&E's Customer Assistance advertising campaign continued to run throughout the month of November, promoting both the CARE and LIEE programs. Both 15-second and 30-second TV commercials continued to air on television stations such as CBS, NBC and ABC providing significant exposure for the programs. Radio traffic IDs also continued to air on both Spanish and English stations. In addition, Spanish and English print ads continued to circulate and were featured in diverse publications. Posters advertising CARE and LIEE also continued to be displayed at targeted bus shelters throughout the city. These ads allow customers to either call or text for more information. Print ads and paid search ads also continued to run throughout November. Banner and rich media ads launched on November 24.

In addition, a Winter Preparation and Assistance advertising campaign launched in November. The Winter Assistance portion of the campaign targets seniors and promotes a variety of assistance programs, including CARE, LIEE, Medical Baseline Allowance program, 3rd Party Notification and Neighbor-to-Neighbor. Radio traffic IDs began airing in November and print ads will begin circulating in targeted publications in December.

- **Public Relations**

In November, SDG&E received the following unpaid media:

ElderCare Talk Radio Interview

On Sunday, November 7th, SDG&E participated in a 60-minute live interview with ElderCare Talk Radio. SDG&E discussed customer assistance programs and

ways customers can save energy and money. The hour was broken into multiple segments which allowed SDG&E to focus on specific programs such as CARE, LIEE, Medical Baseline Allowance, holiday lighting exchanges and energy efficiency. ElderCare Talk Radio airs weekly on Sunday afternoons on KCBQ, 1170 AM San Diego. The focus of the weekly show is to provide information to community members who are coping with care-giving issues.

- **Community Outreach**

In November, community outreach for CARE and LIEE included participation in community events and leveraging efforts with capitation contractors, 2-1-1 San Diego and the branch offices. SDG&E also conducted outreach with the disabled community through partnerships with key agencies serving this clientele.

- **Community Events**

SDG&E and its partners participate in and sponsor a variety of local events in order to educate low-income customers about assistance programs and help them enroll. SDG&E participated in 20 community events in November, which resulted in 112 CARE and 126 LIEE applications.

11/01/10 – 11/13/10 Salvation Army Holiday In-Take Sessions

SDG&E participated in the Salvation Army's holiday in-take sessions in November, going to 13 different sites to enroll qualified customers in CARE and LIEE. Each Salvation Army location assists 300-500 families per year. For the month of November, SDG&E's participation included events at Chula Vista, El Cajon, Centre City/Downtown Escondido and Oceanside. The Salvation Army is a faith-based organization that provides people with the basic necessities of life – food, shelter and warmth. The Salvation Army provides gifts and food to needy families throughout the Christmas season.

11/6/10 Metro Base Community Event

SDG&E hosted an event for construction and operations employees and their families and friends. This event educated attendees about the variety of programs SDG&E offers to help promote word of mouth and internal cross-promotion. Initiatives and programs, such as Customer Assistance, Smart Meter and energy efficiency were discussed and field employees, such as collectors and gas servicemen, received information so that they can better cross-promote programs while in the field.

Community Cares Program - Put Pride Aside Campaign

The Community Cares Program and The Put Pride Aside Campaign is a partnership between the San Diego Food Bank and over 30 health and human service organizations. The program operates as a “one-stop-shop” for low-income assistance and services at distribution sites selected by the Food Bank. At these events, non-profit partner organizations host information tables advising people on their eligibility for programs including: low-cost healthcare, food assistance, assistance for the elderly, disabled and mentally ill, and foreclosure counseling. SDG&E representatives alongside representatives from Neighborhood Healthcare, a SDG&E capitation agency, promoted SDG&E’s assistance programs and helped customers enroll. Neighborhood Healthcare provides quality health care and promotes wellness to communities in need. Attendance at these events ranges from 150-300 people. For the month of November, SDG&E’s participation included events at the Crosspointe Life Church, Children’s Choice Day Care, New Season’s Church and the Samoa Independent Church.

11/22/10 Armed Services YMCA Food Distribution

SDG&E participated in the Armed Services YMCA food distribution event for military families on November 22, where SDG&E Assistance Programs were discussed with low-income military families. Approximately 500 families were in attendance and News Channel 10 of San Diego covered the event. The San Diego Armed Services YMCA provides programs to address the stresses and needs of military families stationed in San Diego. San Diego Food Bank provides food to people in need, advocates for the hungry and educates the public about hunger-related issues.

Feeding America Family BBQ and Resource Fair

On Thanksgiving Day, Feeding America hosted 500 low-income individuals at the San Diego House of Blues for a sit down meal. Community agencies serving this population provided resource booths and Feeding America, an SDG&E capitation agency, promoted SDG&E assistance programs. SDG&E programs were included in a looped informational video that was run in between performances by entertainers at the event.

- **Capitation Contractors**

SDG&E leverages the resources of Community-Based Organizations (CBOs) and agencies called Capitation Contractors to enroll customers in the CARE and LIEE programs. These organizations leverage existing relationships with low-income clients to extend CARE and LIEE program benefits as part of their total assistance offering. As an incentive, SDG&E provides CARE and LIEE Capitation Contractors with a fee for each enrollment generated.

In an effort to maintain relationships with these organizations and keep the LIEE and CARE programs top of mind, SDG&E visits most agency sites each week. In November, SDG&E made 195 visits to 64 different agencies, which resulted in 451 CARE enrollments and 143 LIEE leads.

- **2-1-1 San Diego**

2-1-1 San Diego is a community disaster, health and human services center and resource providing information and referrals to households that need assistance. SDG&E leverages the resources of 2-1-1 San Diego to promote CARE, LIEE and Medical Baseline programs.

Through referrals in November, 2-1-1 provided SDG&E with 226 CARE enrollments, 117 LIEE program leads and 111 Medical Baseline program applications.

- **Other Integration and Leveraging Efforts**

Referrals from SDG&E Branch Payment Offices

Branch offices are visited weekly by SDG&E's outreach team to encourage customer service representatives to promote CARE and LIEE programs to customers using the branch services. In November, 330 CARE applications and 26 LIEE applications were collected by branch offices representatives.

Leveraging Feeding America's Back Pack and Farm2Kids Programs

In November, SDG&E provided Feeding America San Diego (FASD) with 6,000 informational packets to be distributed to children participating in two Feeding America programs: the Back Pack Program and Farm2Kids Program. The children bring these packets home to their parents, who then have the opportunity to read about SDG&E's programs, complete the applications and return them in the self-addressed postage-paid envelopes. The FASD BackPack Program's mission is to help meet the nutritional needs of hungry children over weekends and school holidays, when other food resources are not available. Typically, children receive an easy to carry bag filled with nutritious items – including produce – when leaving school and place the bags into their backpacks as they venture home for the weekend or holiday break. SDG&E's informational packets were distributed along with the food items. The Farm2Kids program delivers fresh produce directly to various schools throughout San Diego County for after school distributions. These children receive 3-5 pounds of fresh fruits and vegetables as they leave school to take home to their families. SDG&E's informational packets were distributed along with the food items. Currently, FASD serves 2,000 children at 10 schools around San Diego County through the Back Pack and Farm2Kids programs.

Mabuhay Alliance Asian Outreach

SDG&E collaborated with Mabuhay Alliance to launch a multi-lingual CARE enrollment campaign in Tagalog, Vietnamese and Chinese. Mabuhay Alliance's volunteers have been canvassing ethnic outlets and distributed over 5,000 in-

language fliers and applications. Mabuhay Alliance is a resource and service provider to the Pan-Asian community. Their mission is to provide members with the resources and connections they need to be economically stable.

1.4 Leveraging Success Evaluation, Including CSD

- 1.4.1 Please provide a status of the leveraging effort with CSD. What new steps or programs have been implemented? What was the results in terms of new enrollments?

There was no activity with CSD in the month of November.

1.5. Workforce Education & Training

- 1.5.1 Please summarize efforts to improve and expand LIEE workforce education and training. Describe steps taken to hire and train low-income workers and how such efforts differ from prior program years.

There is no additional information to report this month regarding SDG&E efforts to improve and expand LIEE workforce education and training (WE&T).

2. CARE Executive Summary

2.1. CARE Program Summary

2.1.1. Please provide CARE program summary costs.

CARE Budget Categories	Authorized Budget	Actual Expenses to Date	% of Budget Spent
Outreach	\$1,611,634	\$1,280,298	79%
Proc., Certification and Verification	\$222,967	\$237,979	107%
Information Tech./Programming	\$481,841	\$215,729	45%
Pilots	N/A	N/A	N/A
Measurement and Evaluation	\$4,160	\$0	0%
Regulatory Compliance	\$190,205	\$132,891	70%
General Administration	\$410,096	\$374,488	91%
CPUC Energy Division Staff	\$102,900	\$42,284	41%
Cooling Centers	N/A	N/A	N/A
Total Expenses	\$3,023,803	\$2,283,669	76%
Subsidies and Benefits	\$48,492,992	\$49,225,650	102%
Total Program Costs and Discounts	\$51,516,795	\$51,509,319	100%

2.1.2 Please provide the CARE program penetration rate to date

CARE Penetration		
Participants Enrolled	Eligible Participants	Penetration rate
291,659	352,688	82.7%

SDG&E increased participation in the CARE program from 289,313 to 291,659 and penetration from 82.0% to 82.7% in November.

2.2. Outreach

2.2.1 Discuss utility outreach activities and those undertaken by third parties on the utility's behalf. (For additional CARE Marketing, Education and Outreach efforts, see section 1.3.2)

Direct marketing - In November, direct marketing efforts included automated outbound calling and door-to-door canvassing.

- **Automated Outbound Calling**

SDG&E contacted 29,639 households about the CARE program through automated outbound calls during November. Approximately 1,173 customers were reached and 995 were enrolled.

In addition, SDG&E contacted 4,035 households in an attempt to recertify them on the CARE program. Of those called, 1,565 or 39% were successfully recertified. The remaining customers will be contacted via direct mail.

- **Door-to-Door Canvassing**

SDG&E's door-to-door canvassing contractor, Energy Save, in November contacted 1,504 homes in the communities of San Diego, Chula Vista; El Cajon; Escondido; National City; Oceanside; Spring Valley; San Ysidro; Vista; Lakeside and Fallbrook . Through these personal visits, the contractor generated 538 CARE applications and converted 376 of those applications into enrollments.

2.2.2 Describe the efforts taken to reach and coordinate the CARE program with other related low-income programs to reach eligible customers.

SDG&E works with a number of agencies that offer low-income programs. For complete details on SDG&E's efforts to jointly promote CARE and LIEE through partnerships with other low-income agencies and through community events serving low-income customers, see Section 1.3.2.

In addition, other departments within SDG&E contribute to the success of the low-income programs. For example, SDG&E's call center provides customers with program information and referrals for the CARE and LIEE programs. In November, SDG&E enrolled 651 customers in CARE due to referrals from the Call Center. SDG&E also

received 1,173 CARE applications from RHA, SDG&E's LIEE contractor. Of these, 995 were converted into enrollments.

2.3 CARE Recertification Complaints

There were no CARE Recertification complaints in November.

21	¹ Enrollments via data sharing between the IOUs.																	
22	² Enrollments via data sharing between departments and/or programs within the utility.																	
23	³ Enrollments via data sharing with programs outside the IOU that serve low-income customers.																	
24	⁴ One-E-App is a pilot program set up by The Center to Promote Healthcare Access (the Center) and PG&E. The pilot will occur within two PG&E counties and looks to implement a strategy of automatic enrollment for low-income customers into the CARE program based on the customers' applications or reapplications for related low-income health and social welfare services. (e.g. MediCAL, Healthy Families, CALKids, etc.) The goal is to develop another means by which low income families can be introduced into the CARE program and,																	
25	⁵ Not including Recertification.
