Low-Income Assistance Programs.

R. 04-01-006

**MONTHLY REPORT OF SAN DIEGO GAS & ELECTRIC COMPANY  
(U 902 M) ON WINTER INITIATIVE FOR JANUARY 2006 REQUIRED BY  
ORDERING PARAGRAPH 19 OF DECISION 05-10-044**

**I. Introduction**

San Diego Gas & Electric Company ("SDG&E") files this monthly report to comply with Decision ("D.") 05-10-044, "Interim Opinion Approving Various Emergency Program Changes in Light of Anticipated High Natural Gas Prices in the Winter of 2005-2006," issued herein on October 27, 2005. Specifically, Ordering Paragraph ("OP") 19 of D.05-10-044 provides:

Each utility shall file monthly reports, this winter, due no later than the seventh of each month, December through May, presenting the percentage of residential accounts being paid in full when due, paid between 50-99%, and paid at less than the 50% trigger for shut-off protection, separately tracked by CARE, medical baseline and non-CARE customers (and FERA where applicable), and including shut-off figures for each of these customer groups.

**II. Description of Report**

**A. 19-Day Report**

Consistent with OP 19, SDG&E here provides a report that reflects bill payment status for residential accounts as of the due date, which is 19 calendar days from the mail date of the bill. See Attachment 1, hereto.

**B. 30-Day Report**

Because a significant number of SDG&E's customers who do not have difficulty paying their energy bills do so between the due date and the time the next month's bill is issued, SDG&E believes that a report reflecting bill payment status just prior to the next month's bill (approximately 30 days following the mail date of the bill) will provide the Commission with a more accurate evaluation of the percentages of customers having difficulty paying their bills as the winter progresses. Accordingly, in addition to the 19-day report, discussed above, SDG&E also is providing the Commission with a 30-day report. See Attachment 1.

**III. Conclusion**

Accordingly, SDG&E here files the reports reflected on Attachment 1 to comply with OP 19.

Respectfully submitted,
