**MOTION OF SOUTHERN CALIFORNIA GAS COMPANY
(U 904 G) FOR PROTECTIVE ORDER FOR ATTACHMENT C OF
APPLICATION FOR APPROVAL OF PROGRAM YEAR 2005
LOW-INCOME ASSISTANCE PROGRAMS AND FUNDING RELATED TO
BREAKDOWN BY MEASURE COST**

Pursuant to Public Utilities Code Section 583, General Order No. 66-C ("GO 66-C") and Rule 45 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure, Southern California Gas Company ("SoCalGas") hereby moves for a Protective Order authorizing SDG&E to file under seal Attachment C of its Application for Approval of Program Year 2005 Low-Income Assistance Programs ("LIEE") and Funding (PY 2005 LIEE Application). Attachment C provides an LIEE breakdown by measure cost as required by Decision ("D.") 03-11-020, dated November 13, 2003. In support hereof, SoCalGas states as follows:

The Protective Order would shield from public disclosure the unredacted version of Table __ of SoCalGas' PY 2005 LIEE Application because it contains proprietary and competitively sensitive information regarding third-party contractors' costs on a per measure basis. Public disclosure of this cost data would likely jeopardize SoCalGas'

ability to continue to obtain contracted-for services at the lowest reasonable cost and thereby adversely affect its ratepayers.

Wherefore, in view of the foregoing, SoCalGas requests the appropriate Administrative Law Judge to grant the Protective Order for Attachment C of SoCalGas' PY 2005 LIEE Application. Attachment A, hereto, contains a proposed ruling on the Protective Order for the convenience of the Commission.

Respectfully submitted,

ATTACHMENT A

(PROPOSED) ADMINISTRATIVE LAW JUDGE'S RULING ON A MOTION FOR PROTECTIVE ORDER

Dated this ____ day of _____, 2004, at San Francisco, California.

Southern California Gas Company ("SoCalGas") moves to extend the protective order covering the unredacted version of Attachment C of its PY 2005 Low Income Energy Efficiency ("LIEE") Application filed in this proceeding. SoCalGas contends that the unredacted version contains information which should be protected from public disclosure because it contains proprietary and competitively sensitive information regarding per measure costs of third-party contractors providing services to LIEE programs. Public disclosure of this cost data would likely jeopardize SoCalGas' ability to continue to obtain contracted-for services at the lowest reasonable cost and thereby adversely affect its ratepayers.

SoCalGas has requested that the Commission refrain from disclosing any unredacted information unless and until the recipient of such information executes an acceptable nondisclosure agreement, or SoCalGas expressly consents to the disclosure, or both, as appropriate.

SoCalGas' motion states grounds for the requested relief. A public hearing on the motion is not needed.

Good cause appearing, IT IS HEREBY ORDERED THAT:

1. SDG&E's motion for protective order is granted to the extent set forth below.

2. Attachment C of SoCalGas' PY 2005 LIEE Application shall remain under seal and shall be disclosed or made available only (a) to Commission staff, or (b) to parties to this proceeding that have executed a reasonable nondisclosure agreement with SoCalGas, or (c) upon further order or ruling of the Commission, the Assigned Commissioner, or the Administrative Law Judge assigned to this proceeding or designated to the Commission's Law and Motion matters.

Dated this _____ day of _____, 2004, at San Francisco, California.
