## ENERGY SAVINGS ASSISTANCE PROGRAM MONTHLY REPORT

### 1. ENERGY SAVINGS ASSISTANCE PROGRAM EXECUTIVE SUMMARY

#### 1.1. Energy Savings Assistance (ESA) Program Overview

##### 1.1.1. Provide a summary of the Energy Savings Assistance Program elements as approved in Decision (D.)16-11-022 and D.17-12-009:

SoCalGas submitted its Mid-Cycle Advice Letter No. (AL) 5325 on July 16, 2018, which was approved by Energy Division (ED) with modifications on December 19, 2018. This report reflects the approved budget, homes treated and therms saved updates per the disposition of AL 5325.

<b>Program Summary through September 2020</b>			
	<b>Authorized / Planning Assumptions*</b>	<b>Actual to Date</b>	<b>%</b>
Budget	\$231,913,662	\$77,041,779	33.22%
Homes Treated	191,186	66,379	34.72%
kWh Saved	N/A	N/A	N/A
kW Demand Reduced	N/A	N/A	N/A
Therms Saved**	6,530,000	376,105	5.76%

\* Annual budget, homes treated goals and therms saved targets approved in Disposition of Advice Letter 5325.

\*\* As of September 2019, ex-ante values from the 2015-2017 Impact Evaluation Report are being used to calculate therm savings. These updated values have resulted in a significant reduction in SoCalGas' reported therm savings.

In September 2020, SoCalGas processed and paid contractor invoices from prior months' activity for 10,271 treated homes. Additionally, SoCalGas paid for the weatherization of 10,271 homes, 352 furnace repairs and replacements, 157 water heater repairs and replacements, and 513 High Efficiency (HE) clothes washers.

SoCalGas lifted its ESA Program suspension on June 1 and SoCalGas' contractors worked through September to reestablish operations. SoCalGas contractors have begun

to demonstrate a more uniform experience in their return from the program suspension. Based on treated unit performance in September, about three out of every four of SoCalGas' larger contractors (21 contractors representing 99% of 2020 contracted units) treated more customers in September than they did in August. Furthermore, to demonstrate that this work has been and can be sustained, when looking at SoCalGas' six most productive contractors' (representing 66% of 2020 contracted units) three-month average (July, August and September), all but one has recovered to a level of 70% when compared to the last full month before the suspension began and three of these six contractors are at or have surpassed their pre-suspension level of activity. Not all program contractors have recovered to near pre-suspension levels as challenges in ramping up persist due to difficulty in recruiting staff and customer unwillingness, particularly in the multifamily sector.

On May 12, 2020 in order to support the current contractor workforce and to help maintain program continuity, SoCalGas launched a virtual enrollment process. Under this new procedure contractors may enroll customers, perform income verification, and provide energy education without visiting the home. In the month of September, approximately 226 enrollments were completed through this method.

Finally, starting in July, SoCalGas began tracking customers unwilling to participate in the ESA Program due to COVID-19 concerns. Of the unwilling customers identified in September, 29 were recorded as specifically citing COVID-19 concerns.

**1.2. Energy Savings Assistance Program Customer Outreach and Enrollment Update.**

**1.2.1. Provide a summary of the Energy Savings Assistance Program outreach and enrollment strategies deployed this month.**

**Ethnic and Mass Media Campaign**

SoCalGas did not launch a media campaign during the month of September.

SoCalGas was in the planning stage of a campaign before the program was temporarily suspended due to the COVID-19 emergency. SoCalGas will consider launching a campaign in the coming months.

**E- Newsletter**

SoCalGas did not participate in any E-newsletter campaigns related to the ESA Program during the month of September.

**Energy Savings Assistance Program - Emails**

During the month of September, SoCalGas sent 203,567 emails to customer lists covering 93 specific targeted geographic areas as part of AL 5256 (Clear Plan).

The Clear Plan targets customers that have not previously participated in the ESA Program and have been identified as highly eligible. The email features ESA Program information and includes the contact information of the customer's assigned contractor. The email also includes a link that allows customers to express interest in the program by either selecting a link that sends an email to their assigned contractor for follow-up or by calling their assigned contractor's contact information that is provided. Providing the contractor's contact information creates context and instills confidence for the customer as they are

more likely to be familiar with the name and have assurance of legitimacy when the contractor calls. Emails were sent based on zip codes to accurately reflect contractor assignments.

### **Energy Saving Assistance Program - Direct Mailings**

In September, in conjunction with the email efforts above, SoCalGas sent 146,581 direct mailers to 48 targeted geographic areas as part of the Clear Plan. Much like the email campaign, the direct mailers targeted customers who have not previously participated in the ESA Program. The direct mailers featured ESA Program messaging and the contact information of their assigned contractors. Customers are directed to contact their contractor for more information and to enroll into the program. SoCalGas will continue to coordinate with contractors to schedule distribution of marketing materials for them to be prepared when customers call.

### **Energy Savings Assistance Program – Text Messaging**

In September, SoCalGas sent 117,609 text messages to customers for 93 targeted geographic areas as part of the Clear Plan. The text messages prompt customers to visit a program landing page that allows customers to express interest in the program by either selecting a link that sends an email to their assigned contractor for follow-up or by calling their assigned contractor's contact information that is provided.

### **Energy Savings Assistance Program - Bill Inserts**

No bill inserts were deployed during the month of September.

### **Energy Savings Assistance Program - Outbound Dialing**

SoCalGas did not deploy an outbound dialing campaign during the month of September.

### **Energy Savings Assistance Program - Web Activities**

There were 112 internet-generated leads for the ESA Program during the month of September from all channel activities conducted in previous months. The leads will be pursued as contractors ramp up their operations.

### **Energy Savings Assistance Program – Social Media Activity**

SoCalGas did not post about ESA to Facebook in the month of September as contractors are continuing to ramp up their operations to get back to full capacity following lifting of the suspension.

#### **1.2.2. Customer Assistance Events and Public Affairs/Public Relations Activities for the CARE and ESA Program.**

SoCalGas provides customer program information regarding its interactions with the community that facilitates participation in its Low-Income Programs. On an ongoing basis, SoCalGas Regional Public Affairs meets with various community groups – representing both the general population and low-income customers.

CARE and ESA Program information is distributed at the events that SoCalGas or

its representatives attend. In addition to the ongoing and general outreach in the community, the events listed in the table below represent specific outreach events that SoCalGas participated in during the month of September. Please see section 2.2.1 below for additional information on the various community organizations listed.

<b><u>Event Date</u></b>	<b><u>Event Name</u></b>	<b><u>Event Location</u></b>	<b><u>Event Information</u></b>
September 1-12 (MICOP)	Phone Outreach	Ventura County	Community Based Organization (CBO) staff provided information via phone regarding SoCalGas' Customer Assistance Programs (CAP) to 26 clients.
September 1 (HSA)	Census Canvassing	Bell Gardens	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 28 family households.
September 2 (El Nido)	Hot Meal Distribution	Pacoima	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 25 families.
September 2 (CFS-Promotores Collaborative)	Servicio al Carro, Pañales, Recursos y Censo (Service to the Car, Diapers, Census and Information)	Paso Robles	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 30 attendees.
September 2 (HSA)	Census Canvassing	Bell Gardens	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 100 family households.
September 3 (CFS-Promotores Collaborative)	Santa Rosa Catholic Church	Cambria	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 33 attendees.
September 3 (SCRS-IL)	Personal Protection Equipment (PPE) Package Delivery	Various	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to 250 family households along with PPE packages within low income underserved community.

September 3 (HSA)	Census Canvassing	Florence/ Firestone	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 100 family households.
September 3 (HSA)	Census Program Outreach Call	Bell Gardens	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while conducting census calls; 2 calls were made.
September 3 (Radio Campesina)	Social Media	KMYX Kern County	CBO shared Customer Assistance Programs infographic to their social media platforms in Spanish: 5,970 Facebook reach 1,530 Instagram reach 210 Twitter impressions
September 3 (Radio Campesina)	"Cuadrilla de la Semana"	KMYX Kern County	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 48 attendees.
September 4 (CFS-Promotores Collaborative)	Servicio al Carro, Pañales, Recursos y Censo (Service to the Car, Diapers, Census and Information)	Paso Robles	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 24 attendees.
September 4 (HSA)	Census Program Outreach Call	Bell Gardens	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while conducting census calls; 1 call was made.
September 9 (El Nido)	Hot Meal Distribution	Pacoima	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 28 families.
September 9 (HSA)	Census Canvassing	Walnut Park	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 29 family households.
September 10 (CFS-Promotores Collaborative)	Servicio al Carro, Pañales, Recursos y Censo (Service to the Car, Diapers, Census and Information)	San Miguel Community Park	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 14 attendees.

September 10 (SCRS-IL)	Personal Protection Equipment (PPE) Package Delivery	Various	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to 220 family households along with PPE packages within low income underserved community.
September 10 (Radio Campesina)	"Cuadrilla de la Semana"	KMYX Kern County	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 35 attendees.
September 11 (MICOP)	Food Distribution	Oxnard	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 187 attendees.
September 11 (Santa Barbara Food Bank)	Brown Bag Home Delivery	Santa Maria	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 100 attendees.
September 12 (CFS-Promotores Collaborative)	Kits de Arte y Recursos para tu Familia (Arts and Crafts and Resources for your Family)	Complejo and Vivienda Oak Park	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 48 attendees.
September 13-30 (MICOP)	Phone Outreach	Ventura County	CBO staff provided information via phone regarding SoCalGas' Customer Assistance Programs to 60 clients.
September 14 (VIA CARE)	Bank Food Panty	Los Angeles	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 300 individuals.
September 16 (LAC + USC)	Food Distribution at LAC+USC Medical Center	Los Angeles	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 368 individuals.
September 16 (El Nido)	Hot Meal Distribution	Pacoima	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 32 families.
September 17 (HSA)	Census Canvassing	Willbrook	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 50 family households.

September 17 (SCRS-IL)	Personal Protection Equipment (PPE) Package Delivery	Various	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to 200 family households along with PPE packages within low income underserved community.
September 17 (Radio Campesina)	"Cuadrilla de la Semana"	KMYX Kern County	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 34 attendees.
September 21 (HSA)	Census Canvassing	East LA	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 50 family households.
September 22	Precious Life Shelter	Los Alamitos	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 400 attendees.
September 22 (HSA)	Census Canvassing	East LA	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 25 family households.
September 23 (APCF)	Asian Pacific Community Fund – Presentation	Virtual Presentation	Customer Assistance Programs outreach staff provided information regarding SoCalGas' Customer Assistance Programs. CAP information was shared with approximately 60 people in attendance.
September 23 (LAC + USC)	Food Distribution at LAC+USC Medical Center	Los Angeles	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 430 individuals.
September 23 (LAC + USC)	Email Distribution to LAC+ USC School of Nursing Students	Los Angeles	CBO emailed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 200 individuals.
September 24 (CFS-Promotores Collaborative)	Cambria Desfile (Cambria Parade)	Cambria and San Simeon Parade	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CARE materials were distributed to approximately 40 attendees.
September 24 (Radio Campesina)	"Cuadrilla de la Semana"	KMYX Kern County	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 22 attendees.

September 24 (SCRS-IL)	Personal Protection Equipment (PPE) Package Delivery	Various	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to 200 family households along with PPE packages within low income underserved community.
September 24 (SCRS-IL)	Virtual Collaboration with SGV CBOs	SGV- Virtual Presentation	CBO staff provided information regarding SoCalGas' Customer Assistance Programs during a virtual presentation to residents. CAP materials were distributed virtually to approximately 30 attendees.
September 25 (Catholic Charities of Orange County)	St. Boniface Church Pantry	Anaheim	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 300 attendees.
September 25 (LAC + USC)	Email Distribution to USC Medical Students	Los Angeles	CBO emailed information regarding SoCalGas Customer Assistance Programs. CAP material was distributed to approximately 750 individuals.
September 28 (Catholic Charities of Orange County)	Cantlay Food Distribution Center	Santa Ave	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 600 attendees.
September 29 (HSA)	Census Canvassing	Walnut Park	CBO staff provided information regarding SoCalGas' Customer Assistance Programs while canvassing for Census. CAP materials were distributed to 25 family households.
September 30 (El Nido)	Hot Meal Distribution	Pacoima	CBO staff distributed information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 31 families.

**1.3. Leveraging Success Evaluation Including CSD**

**1.3.1. Please provide a status of the leveraging effort with CSD. What new steps or programs have been implemented? What was the result in terms of new enrollments?**

SoCalGas continues to explore opportunities to collaborate with various organizations and key stakeholders, including the California Department of Community Services & Development (CSD), to leverage program enrollment. On April 2, 2019, SoCalGas and CSD executed a Low Income Weatherization

Program (LIWP) cost reimbursement agreement for installation of qualifying ESA measures to eligible customers.

In 2020, leveraging opportunities with municipalities and water agencies remains a high priority in providing comprehensive energy savings to joint customers, especially for those customers not in a joint IOU service territory. SoCalGas is able to provide administrative and co-funding opportunities for electric and water providers who might otherwise not offer these energy savings measures.

Water leveraging agreements provide the ability for water agencies to capture water savings through the co-funding. Year to date, \$301,657 has been co-funded to support the installation of HE clothes washers and other related water measures. Some water agencies also co-fund low-flow shower heads, faucet aerators, thermostatic shower valves and tub spouts. The participating water agencies include:

- Eastern Municipal Water District
- Fontana Water Company<sup>1</sup>
- Liberty Utilities, formerly Park Water Company<sup>2</sup>
- Metropolitan Water District (MWD)
- San Gabriel Valley Water Company<sup>3</sup>

---

<sup>1</sup> Fontana Water Company serves the communities of Fontana, Rialto, Rancho Cucamonga, Ontario, and unincorporated areas of San Bernardino County.

<sup>2</sup> Liberty Utilities, formerly Park Water Company serves the Compton/Willowbrook, Lynwood, and Bellflower/Norwalk water systems.

<sup>3</sup> San Gabriel Valley Water Company serves the communities of: Arcadia, Baldwin Park, El Monte, Industry, Irwindale, La Puente, Montebello, Monterey Park, Pico Rivera, Rosemead, San Gabriel, Santa

*Footnote continued on next page*

- California American Water
- Moulton Niguel Water District
- Elsinore Valley Municipal Water District
- Western Municipal Water District

In addition to the water leveraging opportunities, SoCalGas is working with municipal electric providers through the ESA Program. SoCalGas administers programs for the following municipal electric providers:

- Anaheim Public Utilities
- Colton Public Utilities
- Los Angeles Department of Water and Power (LADWP)
- Pasadena Water and Power
- Riverside Public Utilities

Providers have reported the activity noted below for 2020 through the month of September. Some of the electric measures installed include LEDs, Smart Power Strips, Torchiere Lamps, A/C Tune-ups, Refrigerator Assessment, Duct Testing & Sealing and Room A/C Replacement. Qualifying measures vary per electric provider and availability of funding.

<b>Municipal Electric Provider</b>	<b>Participating Customers</b>
Anaheim Public Utilities	282
Colton Public Utilities	0
LADWP	5,067
Pasadena Water and Power	32
Riverside Public Utilities	281
<b>Total</b>	<b>5,662</b>

---

Fe Springs, South El Monte, West Covina, Whittier and unincorporated portions of Los Angeles County, in the communities of Bassett, Hacienda Heights, Los Nietos and South San Gabriel.

**1.4. Workforce Education & Training**

**1.4.1. Please summarize efforts to improve and expand Energy Savings Assistance Program workforce education and training. Describe steps taken to hire and train low-income workers and how such efforts differ from prior program years.**

SoCalGas provides two areas of training: 1) Enrollment and Assessment (E&A); and 2) ESA Field Operations. SoCalGas completed development of on-line E&A curriculum in May. Implementation of the curriculum as well as on-line testing began in June. SoCalGas began presenting field operations training online in September and is continuing to address some of the challenges due to the technical nature of the subject matter.

The year-to-date training results are shown in the following tables.

<b>SoCalGas Enrollment and Assessment Training</b>						
	<b>Q1</b>	<b>Q2</b>	<b>July</b>	<b>August</b>	<b>September</b>	<b>Total</b>
Attended Class*	71	N/A	N/A	N/A	N/A	71
Tested	62	2	43	61	103	271
Passed	47	2	22	34	59	164
Retention Rate**	76%	100%	51%	56%	57%	61%
*As of June 2020, in person training has been transitioned to on-line self-directed training. SoCalGas will report tested/passed only. **Retention Rate is Passed/Tested Note: Due to the COVID-19 emergency, there were no classes scheduled in the month of April or May.						

**SoCalGas Field Operations Training\***

Class Type	Q1		Q2		July		August		September		YTD Total	
	No. of Classes	No. of Students	No. of Classes	No. of Students	No. of Classes	No. of Students	No. of Classes	No. of Students	No. of Classes	No. of Students	No. of Classes	No. of Students
Wx / NGAT Initial	3	29	0	0	0	0	0	0	0	0	3	29
HVAC Initial	2	28	0	0	0	0	0	0	2	9	4	37

\* As of September 2020, in person training has transitioned to on-line training.

Note: Due to the COVID-19 emergency, there were no classes scheduled during the months of April through August.

**1.5. Emergency Efforts in Response to D.16-04-040**

D.16-04-040 at Ordering Paragraph 10 orders, “Southern California Gas Company and Southern California Edison Company shall track and report on its emergency response efforts immediately on a monthly basis to the Commission’s Energy Division.” This section provides a summary of efforts undertaken in response to D.16-04-040. The current Decision (D.16-11-022), extends this requirement into the current program cycle. Please refer to ESA Table 2.

## **2. CARE EXECUTIVE SUMMARY**

### **2.1. CARE Program Summary – September**

On June 22, 2020, SoCalGas filed Advice Letter (AL) 5604-B supplementing emergency disaster relief protections in SoCalGas' service territory in response to the COVID-19 emergency. The AL enacted the following customer protections identified in Res. M-4842:

- Waive all security deposit requirements for residential and small business customers.
- Assist residential and small business customers in establishing reasonable payment arrangements up to 12 months as needed.
- Suspend disconnections for nonpayment and associated fees for residential and small business customers.
- Suspension of all collection activities for active residential and small business accounts.
- Support low-income residential customers by:
  - freezing all standard and high-usage reviews for CARE Program eligibility and discontinuing removing customers from low-income programs;
  - suspension of medical base line (MBL) certifications at the time of enrollment, recertification reviews and discontinuing removing customers from the program.
  - contacting all community based organizations who assist in enrolling hard-to-reach low-income customers into CARE, to help better inform customers of these eligibility changes;
  - partnering with the program administrator of the customer funded emergency assistance program for low-income customers and increase the assistance limit amount; and
  - indicating how the ESA Program can be deployed to assist customers.
- Suspend all CARE and FERA Program removals to avoid unintentional loss of the discounted rate during the period for which the customer is protected.
- Discontinue generating all recertification and verification requests that require customers to provide their current income information.
- Include the customer protections above as part of the larger community outreach and public awareness plans.

Protections will remain in place through April 16, 2021, unless modified by the Commission.

**2.1.1. Please provide CARE Program summary costs.**

<b>CARE Budget Categories</b>	<b>Authorized Budget*</b>	<b>Actual Expenses to Date</b>	<b>% of Budget Spent</b>
Outreach	\$4,004,885	\$2,780,285	69.42%
Proc., Certification and Verification	\$3,121,351	\$1,159,053	37.13%
Information Tech./Programming	\$1,037,796	\$491,980	47.41%
Cooling Centers	N/A	N/A	N/A
CHANGES	\$437,502	\$303,872	69.46%
Measurement and Evaluation	\$0	\$0	0%
Regulatory Compliance	\$475,858	\$291,066	61.17%
General Administration	\$953,729	\$598,498	62.75%
CPUC Energy Division Staff	\$60,000	\$64,980	108.30%
<b>Total Expenses</b>	<b>\$10,091,122</b>	<b>\$5,689,734</b>	<b>56.38%</b>
<b>Subsidies and Benefits</b>	<b>\$135,012,254</b>	<b>\$107,157,731</b>	<b>79.37%</b>
<b>Total Program Costs and Discounts</b>	<b>\$145,103,376</b>	<b>\$112,847,465</b>	<b>77.77%</b>

\* Annual budget approved in Resolution G-3532, D.16-11-022 and D.17-12-009.

**CARE My Account Activity & Enrollments**

In accordance with D.17-12-009, CARE Program enrollment was integrated within My Account in September of 2017, where applications are now processed in real-time. Once logged into My Account, customers receive message center alerts notifying them that they can apply to the CARE Program if they are eligible, or that they are due for recertification or post-enrollment verification (PEV), depending on their CARE status. Customers may then visit a dedicated CARE Program page within My Account where application processes including enrollment, recertification and PEV are available in English and Spanish. CARE customers may also opt-out of the program if they no longer qualify.

This implementation has increased CARE enrollments, reduced manual processing of applications, and improved customer service by providing real-time status updates and application confirmation. Since its inception, there have been 196,804 successful enrollments, 71,148 recertifications, 6,045 post-enrollment verifications and 9,822 opt-outs. Activity for September is as follows:

<b>CARE My Account Activity</b>			
	<b>Transactions</b>	<b>Approved</b>	<b>% Approved</b>
<b>Self-certification</b>	4,997	4,041	81%
<b>Re-certification</b>	154	150	97%
<b>PEV</b>	13	10	77%
<b>Customer opt-out</b>	105	105	100%

**CARE CSR Enrollment Initiative**

In its PY2015-2017 Application, SoCalGas requested CARE enrollment through Customer Service Representatives (CSRs) when customers call the Customer Contact Center (CCC) to turn-on or back-on service, or to make payment arrangements. D.16-11-022 was issued on November 2016 and in January 2017, SoCalGas’ CARE and IT departments began the planning, design, and creation of a CARE template adjacent to both the turn-on and payment extension templates and used specifically by the CCC. Thorough testing, and training of the CSRs took place during the fourth quarter of 2017. CSRs began taking CARE applications over the phone at midnight on February 23, 2018.

During the month of September 2020, CSRs successfully enrolled 9,343 customers in CARE. An additional 2,916 customers preferred to receive a CARE

application in the mail. Through this effort, CARE enrollment from inception via the CCC is at 382,567 and 153,313 mailed applications.

There have been no issues reported; however, SoCalGas' CARE department will continue to obtain feedback from the CCC regarding this process. Any issues or concerns reported by the CSRs will be reviewed, and where needed, process changes will be implemented to ensure an even greater customer experience.

**CARE Recertifications**

To encourage recertification onto the CARE Program, SoCalGas mails letters to customers as their recertification date approaches. If the customer does not renew their certification, SoCalGas mails a second letter. During the month of September, SoCalGas processed a total of 24 on-line renewals. As mentioned above, due to the COVID-19 emergency, SoCalGas has suspended recertification requirements for the CARE Program.

**2.1.2. Please provide the CARE Program penetration rate to date.**

<b>CARE Penetration</b>		
<b>Participants Enrolled</b>	<b>Eligible Participants</b>	<b>Penetration rate</b>
1,728,359	1,675,718	103.14%

## **2.2. Outreach**

### **2.2.1. Discuss utility outreach activities and those undertaken by third parties on the utility's behalf. (For additional CARE Outreach see section 1.2.2.).**

#### **CARE Emails & Enrollments**

Due to the increase in the number of customers with an available email address on file, SoCalGas uses email communication whenever possible. SoCalGas also added source codes to each of the three types of emails it sends to customers, for tracking purposes. During the month of September, SoCalGas sent 12,222 emails to new customers with a probability of being eligible for the CARE program. A total of 266 customers enrolled using the link within this email. A total of 16,951 emails were sent to existing SoCalGas customers who may qualify for the CARE Program and 536 enrolled using the link within this email. Typically, SoCalGas sends emails to recapture those customers that have fallen off CARE encouraging them to reapply. SoCalGas did not send any emails to customers who needed to reapply this month as customers are not being removed from the program for the remainder of the COVID-19 emergency.

#### **CARE Text Messages & Enrollments**

SoCalGas texts the CARE link to customers with valid mobile phone numbers encouraging them to apply online. In September, SoCalGas sent 13,557 text messages to new customers and existing customers not on CARE. A total of 81 enrollments were generated from text messages sent. SoCalGas did not send text

messages to customers who need to reapply this month as customers are not being dropped from the program for the remainder of the COVID-19 emergency.

### **CARE Third-Party Enrollments & Outreach**

SoCalGas employs third-party bilingual (English and Spanish) contractors to canvass targeted neighborhoods to enroll customers on CARE. These canvassers generated 1,554 approved enrollments in September.

In addition to canvassers, CBOs and Faith-Based Organizations (FBOs) constitute a key component of the grassroots tactics. These organizations serve as trusted sources of information on the CARE Program and provide the community with information on enrollment. If a customer is already on the CARE Program, these organizations remind customers to recertify when notified. Many CBOs have modified their outreach procedures to comply with COVID-19 related recommendations and mandates. A partial list of the organizations, the county and community they serve, and the primary focus of these organizations follows.

211 LA County is a multilingual referral phone number for Los Angeles County. As a result of SoCalGas' close working relationship with 211, callers learn about the ESA Program and CARE when they are put on hold, and representatives are trained to follow up with callers on these programs, even if utility assistance was not the original purpose of the call. The organization provides monthly reporting on the categories of service calls and zip codes of the callers. In addition to

operating a crisis-information helpline, 211 also attends community events, and through their relationship with SoCalGas, they discuss low-income programs as part of their outreach. During the month of September, 211 LA did not participate in outreach events due to the COVID-19 emergency; however, 402 callers were informed about the CARE Program, with 11 interested in the ESA Program.

In the month of September, SoCalGas Customer Assistance Programs was able to collaborate with Goodwill Industries. Goodwill works to enhance people's dignity and quality of life by strengthening their communities, eliminating their barriers to opportunity and helping them reach their full potential through leaning and the power of work. Local Goodwill organizations are innovative and sustainable social enterprises that create job training programs, employment placement and other community-based programs by selling donated clothing and household items in more than 3,300 Goodwill stores. Goodwill is assisting SoCalGas Customer Assistance Programs by displaying CAP information in their stores and resource centers as well as educating their employees on the programs. SoCalGas Customer Assistance Programs will pilot the Goodwill collaboration for six months which will run through February 2021. An additional 100,000 flyers have been ordered as all collateral was depleted the prior month.

In August, SoCalGas Customer Assistance Programs started a new collaboration with Walking Shield. Walking Shield's mission is to improve the quality of life for American Indian families in Orange and LA Counties by coordinating

programs that provide shelter, healthcare, community development support, educational assistance, employment development, and humanitarian aid. Through this partnership, Walking Shield will provide SoCalGas CAP information to the Native American community, by utilizing social media platforms, newsletters and via phone and virtual meetings with clients. Currently events are not taking place due to COVID-19 pandemic, but once events begin, Walking Shield will promote SoCalGas programs at community gatherings such as Pow-Wows. In the month of September, Walking Shield held 15 one-on-one virtual/phone meetings where they discussed SoCalGas' Customer Assistance Programs, provided brochures, and explained details of the programs. Walking Shield also emailed a total of 500 participants from their education program with information on SoCalGas' Customer Assistance Programs, as well as a link to apply for the programs. Also, 10 emails were sent with outreach information to its client base. On social media, CBO staff posted SoCalGas program information and links via Facebook, Instagram and Twitter and reached approximately 2,150 views. For the coming months, the organization is working to increase the presence of SoCalGas' programs on their website.

The mission of Catholic Charities of Orange County is to provide service to people in need, to promote their voice in society, and to call on the Church and all people to do the same. Catholic Charities of Orange County works with charitable services such as CalFresh (Food Stamps) Outreach/Applications Program, Camp Re-Creation For Adults And Children With Special Needs, Cantlay Food

Distribution Center, Catholic Campaign For Human Development, Catholic Charities Auxiliary, Catholic Charities of Orange County, Inc., Immigration and Citizenship Center, L'arche Wavecrest, Natural Family Planning, New Hope Crisis Counseling Hotline, Snap-Ed (Nutrition Education and Obesity-Prevention Program), Society of St. Vincent De Paul and The Orange Catholic Foundation. Catholic Charities of Orange County promotes SoCalGas' Customer Assistance Programs through all these different avenues. CalFresh Outreach Program team members assists families and individuals apply for CalFresh benefits and during this enrollment process, they are able to talk with their clients about SoCalGas' Customer Assistance Programs.

A partnership in Orange County has been developed with Families Forward. Families Forward is an organization that has been helping families in need achieve and maintain self-sufficiency through housing, food, counseling, education, and other support services. Families Forward holds strong to its commitment to the values of dignity, empowerment, accountability, community spirit, and hope since 1984. A key factor for success is Families Forward's commitment to collaborate with many organizations to end family homelessness in Orange County, including Orange County United Way, the Commission to End Homelessness, First 5 Orange County and many other partner agencies and foundations. In the month of September, 1,111 families received CARE Program information during their food distribution. In addition, CAP information was posted on the Families Forward community resource page under their rental and

assistance section (615 total views and 472 unique views) as well as under their COVID-19 support page (744 total views and 620 unique views). For the month of September, no SoCalGas information was posted on social media.

A new partnership was established in 2020 with the Center Auxiliary for Recruitment, Education and Service which is the auxiliary for the Los Angeles County + USC Medical Center. This program is also known as CARES. Los Angeles County + USC Medical Center is one of the largest public hospitals in the country ensuring that treatment is available to every member of the community. CARES is a California nonprofit corporation, providing financial support and volunteer services. Its primary mission is to benefit patients by adding comfort to their hospital stay and providing services which help the patients and their families access quality healthcare. Through this partnership, CARES provides SoCalGas CAP information in their senior food distributions, CAREs Child and Family Program, Obstetrics department and information stands placed throughout the medical center. In addition, CAP staff will be invited to speak to staff at the medical centers who provide information to patients about the program.

To assist with grassroots outreach, SoCalGas also works with counselors from Worksite Wellness, a CBO in Los Angeles County that provides outreach to low-income working families. Counselors visit workplaces in south Los Angeles and neighboring communities to deliver wellness seminars and discuss no-cost/low-

cost health care services. While informing workers of Medi-Cal eligibility, the counselors also inform the workers of the CARE Program. In September, Worksite Wellness staff provided enrollment assistance to 87 families that qualified for Customer Assistance Programs based on Medi-Cal, MyHealthLA, or Covered California participation. An additional 665 clients were provided information via health education. Beginning on March 15, due to COVID-19 emergency, all enrollments were conducted over the phone and all classes were cancelled. As restrictions have been lifted, health education presentations have mostly continued via phone or online, but some open air sessions were conducted. Class sizes were reduced by size to 7-10 people, with social distancing.

SoCalGas also collaborates with LIFT-Los Angeles. LIFT partners with community and early childcare organizations who refer parents and caregivers to SoCalGas' services (parents can also contact LIFT directly). While these community institutions are focused on helping children develop and thrive, LIFT concentrates on engaging and supporting their parents. LIFT works to build a strong, trusted relationship with each parent and/or caregiver centering around family goals that include increasing savings and reducing debt, finding high-quality educational opportunities and securing jobs that can provide more economic stability. Members and coaches meet at least once a month to make progress towards their goals. LIFT also provides families with funds to meet emergency needs and support long-term goals, and connects parents to a broader community of local resources and partnerships such as SoCalGas' Customer

Assistance Programs. This month, LIFT worked to provide over 172 members with SoCalGas' CAP information. Due to the COVID-19 emergency, as of March 16, 2020, LIFT switched its programming to virtual coaching so their services to parents could continue uninterrupted. LIFT's ability to be nimble and pivot to virtual has meant that they are able to see more members virtually than the in-person meetings. Since transitioning to virtual coaching, LIFT-LA has seen an increase in one-on-one virtual coaching sessions along with urgent wraparound supports.

In the Southeast region of Los Angeles County, SoCalGas collaborates with Human Services Association (HSA), which is a private nonprofit agency whose principal mission is to provide families with compassionate and comprehensive care to promote wellness and build strong communities. HSA was founded in Bell Gardens as an outreach effort of the Presbyterian Church USA. Today, HSA serves over 20,000 clients annually on a non-sectarian basis with a range of services that addresses the unique and shared needs of clients of all ages. During the month of September, 553 people were introduced to SoCalGas Customer Assistance Programs.

A partnership with St. Barnabas Foundation in Los Angeles County was formed in 2018 to assist with the growing number of older adults in SoCalGas' service territory who lack basic developmental tools. The impacts of COVID-19 has affected most events with the organization. SBSS works with vulnerable

population and provides one-on-one case management phone calls where they are able to introduce SoCalGas' Customer Assistance Programs to clients directly as well as provide translations and answer common questions about their gas bill. In the month of September, 11 clients were contacted via phone in the Mid-City, Hollywood and Echo Park service regions. SBSS is also developing new, adapted ways to connect and stay in touch with their clients. These new modes of communication include monthly newsletters which will be delivered to clients through their meal delivery program. Moving forward, SBSS will also disseminate SoCalGas Customer Assistance Program information via the printed newsletter, using information provided by SoCalGas Customer Assistance outreach staff. Through this distribution it is expected to reach over 500 seniors per month. SBSS will also use similar messaging to communicate via web and social media accounts (Facebook and Instagram) to reach a broader audience of seniors and/or their caregivers.

In Santa Barbara County, SoCalGas continues to work with Unity Shoppe, a CBO that serves low-income families, children, seniors, and persons with disabilities. The store-front facility in downtown Santa Barbara serves approximately 17,000 families per year. Each family meets with a counselor providing an opportunity for one-on-one discussion on SoCalGas' low-income programs. This month due to the COVID-19 emergency, Unity Shoppe did not perform usual in-person activities of introducing Customer Assistance Programs to their partner agencies that work in referrals of low-income clients or agencies representing schools,

infant & children programs, medical assistance programs, and veteran outreach services. For the month of September, Unity Shoppe provided information on SoCalGas' Customer Assistance Programs to over 1,450 participants. Due to the COVID-19 pandemic, Unity Shoppe has seen an increase in participants, and in March started efforts to respond through home deliveries which included grocery deliveries to homebound seniors and the disabled.

Ventura County has a very large population of indigenous speakers (residents who speak neither English nor Spanish, but who speak various indigenous languages, such as Zapoteco or Mixteco). The Mixteco Indigena Community Organizing Project (MICOP) reports that 20,000 indigenous speakers reside in Ventura County. To reach out to these residents and customers - primarily farmworkers and persons with limited English proficiency – SoCalGas collaborates with MICOP to extend awareness of the CARE Program. MICOP provides ongoing awareness, and SoCalGas schedules periodic sponsored events to provide direct outreach. Due to the COVID-19 pandemic, MICOP has leveraged its radio resource and has provided information on customer assistance programs through their radio station.

Also in Ventura County, SoCalGas works with Food Share Ventura County, an organization that provides food for over 75,000 people monthly. Food Share is a member of Feeding America, the nation's largest hunger-relief network of food banks, as well as the California Association of Food Banks. In the month of

September, Food Share Ventura County distributed 5,907 “Emergency Box Distributions” with SoCalGas’ Customer Assistance Programs materials at various locations throughout Ventura County.

In Oxnard, SoCalGas has partnered with El Concilio, a CBO that is a service center for the rural low-income, limited or non-English speaking community. El Concilio, transitions low income families by providing services that integrate them into the community to assist them in becoming self-sufficient, engaged and greater contributors to the community. Due to the COVID-19 emergency, El Concilio’s service center has been closed and employees are working from home. El Concilio plans to share their programs in social media until they can go back to the service center. El Concilio plans to resume events and program participation activities at that time.

In San Luis Obispo County, a new partnership has been established with Center for Family Strengthening - Promotores Collaborative (CFS- Promotores Collaborative). This organization aims at developing a sustainable, diverse, and comprehensive culture that promotes equal access to community resources and services among all members of the Hispanic community in San Luis Obispo County. The Promotores are provided with the tools needed to work as advocates, change agents, and partners with local agencies for positive change. Through this partnership, 20 Promotores located in Paso Robles, San Miguel, Shandon, Atascadero, San Luis Obispo, Los Osos, Five Cities and Nipomo are being trained

on the SoCalGas CARE Program. The Promotores are actively participating in food bank distributions and will use that platform to inform customers on SoCalGas Customer Assistance Programs. In addition, CARE information will be disseminated in parenting classes and support programs as well as their social media outlets.

In our Southern Desert region, SoCalGas partners with FIND Food Bank. FIND Food Bank is the Desert's regional food bank and is the only regional food bank serving eastern Riverside and southern San Bernardino Counties. FIND distributes over 12 million pounds of food assistance annually to an average 90,000 individuals each month across the service area. FIND operates 22 FIND Mobile Market Distributions and a network of over 66 community-based partners whose programs include food pantries, soup kitchens, after-school and summer care, senior centers, Faith-Based Organizations, and homeless shelters. Through its affiliations with Feeding America and the California Association of Food Banks, FIND represents the Desert Community at regional, state, and national levels to advocate for the most vulnerable populations suffering from food insecurity. For the month of September, FIND Foodbank's partnership with SoCalGas led to 4,400 one-on-one outreach opportunities to present SoCalGas' CAP information in 10 of the 15 coverage areas they serve: Cathedral City, Coachella, Indio, La Quinta, Mecca, North Palm Springs, Palm Desert, Palm Springs, Thermal and Thousand Palms.

Second Harvest Food Bank of Orange County began its food distribution operation in 1983. They are the largest nonprofit hunger relief organization.

Second Harvest Food Bank of Orange County is a member of Feeding America, a nationwide hunger-relief network of 200 food banks. Through them, more than 446 million pounds, or the equivalent of 379 million meals have been delivered to a network of more than 300 community and program partners. They reach out to the community for donations, grants, funds, food drives, grocery rescue, and volunteers to help provide food for the hungry. Second Harvest Food Bank of Orange County's CalFresh Outreach Program team assists families and individuals apply for CalFresh benefits. During this enrollment process, they are able to talk with their clients about SoCalGas' Customer Assistance Programs.

The organization has experienced significant changes to their CalFresh Outreach Program due to the current COVID-19 pandemic. Moving forward, the organization has received approval from the County of Orange to do CalFresh applications over the phone, however, they have not set any appointments to date. The team has seen a decrease in call volume to the Food Assistance Helpline, despite the ongoing pandemic. In September, 242 calls were received, with only 68 of those leaving voicemails for follow ups and assistance. The team has been providing callers with referrals for various types of assistance and encouraging them to apply for SoCalGas' CARE Program when team speaks directly to clients.

In the Eastern San Fernando Valley, SoCalGas has developed a collaborative effort with El Nido Family Source Centers. El Nido is regarded as a nonprofit leader in Los Angeles – an integral part of the fabric of the communities it serves – providing critical social services in the most disadvantaged and under-resourced neighborhoods of LA County. With more than 90 years of experience and with programs that serve ethnically diverse clients of all ages – from newborns to toddlers to teens and into adulthood – El Nido transforms the lives of tens of thousands of vulnerable individuals across Los Angeles each year. SoCalGas CAP information was distributed to over 223 El Nido Pacoima visitors in September. Staff distributed information regarding SoCalGas’ Customer Assistance Programs to individuals that visited/received assistance at their site for the citywide Emergency Rental Assistance Subsidy Program, Temporary Rent Subsidy for tenants in the City of Los Angeles who are unable to pay rent due to circumstances related to the COVID-19 pandemic, and also Monica Rodriguez CD 7 Emergency Funds.

In the Southeast region of Los Angeles County, SoCalGas partners with Southeast Community Development Corporation (SCDC), a non-profit organization addressing the serious social and economic issues existing in the Southeast’s eight member cities of Bell, Bell Gardens, Commerce, Cudahy, Huntington Park, Maywood, South Gate, and Vernon. SCDC was created based on the belief that community problems must be solved by the community itself and is committed to utilizing resources within the community. With local funding sources, SCDC has

continued to be a strong investment in the communities it serves. SCDC has a history of managing community projects and producing positive results. It has organized bus shuttles for the cities of Montebello and Huntington Park, administered a federally funded home renovation project for the city of Huntington Park, administered a 2020 Census Questionnaire Assistance Center, distributed loans through the Small Business Micro Loan Program, administered a business assistance center, formed a Southeast Health Coalition, and co-sponsored a college scholarship program and college conference fair for students in the Southeast area. The organization has since expanded to the rest of the county and works as a resource in many different areas including education and enrollment of customers into SoCalGas' Customer Assistance Programs. For the month of September, due to the COVID-19 emergency, SCDC has changed its programming and has provided one-on-one assistance to customers over the phone and online, discussing the CARE Program.

Since 1980, Inner City Law Center (ICLC), a non-profit law firm has provided free legal services to the vulnerable residents of Los Angeles. ICLC promotes access to decent, safe, and fully habitable housing for the enormous number of homeless and working-poor families and individuals residing in Los Angeles' inner city neighborhoods. It is the only full-time provider of legal services headquartered on Skid Row, fighting for justice for low-income tenants, working poor families, immigrants, people who are living with HIV/AIDS or are disabled, and veterans. In September, through their partnership with SoCalGas, information

regarding SoCalGas' Customer Assistance Programs was distributed to 80 tenants via mail, along with tenant's rights information.

### **CARE Direct Mail Activity & Enrollments**

During the month of September, SoCalGas sent 16,951 direct mail letters to new customers deemed likely to be eligible for the CARE Program. The letters encouraged customers to enroll online. SoCalGas mailed 25,000 letters directing customers who are not on CARE but who have a high probability of being qualified for CARE, to also enroll online.

To reach customers who were previously participating in the CARE program, but failed to recertify, SoCalGas sends direct mail letters informing them to reapply online. SoCalGas did not send direct mail letters to customers who failed to renew or needed to reapply since customers are not being removed from the program for the remainder of the COVID-19 emergency.

As of April 2019, SoCalGas no longer mails paper applications with direct mail letters. Rather, the letters direct customers to apply online and resulted in 1,227 online enrollments processed in September. These online enrollments are generated when a customer organically searches for and visits the CARE homepage.

### **CARE Bill Inserts**

No bill inserts were deployed during the month of September, but a CARE bill message was included on customer's bills. SoCalGas approved 2,704 bill insert applications from prior months in September.

### **Outreach by Field Employees**

Although field visits other than those related to health or safety concerns have been temporarily suspended, field service employees continue to distribute CAP brochures to customers when entering customer premises. Throughout the year, the CARE Outreach Team has distributed supplemental deliveries to individual bases on an as-requested basis. SoCalGas launched an automated system that allows operating bases to request CAP brochures directly which has continued through the month of September. This option is in addition to the regular system-wide semi-annual deployment of CAP brochures to operating bases.

### **CARE Social & Mass Media Campaign**

SoCalGas launched a mixed media campaign in the month of April. SoCalGas planned and budgeted \$950,000 for a large campaign to reach more newly eligible customers impacted by COVID-19 throughout the service territory. The campaign's objective was to inform customers experiencing financial hardship due to COVID-19 that they may now be eligible for CARE. The campaign ran until the end of July with digital, social, television and radio ads in multiple

languages. Overall, the campaign resulted in 138.9 million impressions and 243,625 total site pageviews.

### **Disability**

SoCalGas continues to work with organizations in the disability community such as Fiesta Educativa, an organization that focuses on helping Latino families that have family members with special needs. This organization performs disability outreach and community events in Los Angeles, Riverside, San Bernardino, and Orange Counties. In the month of September, Fiesta Educativa has held virtual workshops through Zoom due to the COVID-19 emergency. 266 clients were introduced to Customer Assistance Programs through the Zoom workshops. The areas covered are Los Angeles, Arcadia, Whittier, Monterey Park, and San Gabriel.

SoCalGas also has an ongoing partnership with Blindness Support Services Inc., an organization that has a specialized history of providing direct program services to individuals who are blind or visually impaired on a one-on-one basis. The organization provides assistance in Riverside and San Bernardino counties and works with individuals who have visual impairments to become more independent and adapt to the challenges they face. The counselors have been trained on the CARE and ESA Programs and have a plan in place to provide outreach and enrollment in SoCalGas' programs. Due to the COVID-19 emergency, Blind Support Services has changed its programming to provide one-on-one assistance

through mail and phone calls. In September, Blind Support Services provided one-on-one touchpoints to 96 seniors and individuals with disabilities, providing them with information on SoCalGas' Customer Assistance Programs.

In addition, SoCalGas works with Southern California Resource Services for Independent Living (SCRS-IL). A cross-disability, non-residential, disability rights organization, SCRS-IL empowers people with any disability to live full and independent lives by committing to building an inclusive community that recognizes the dignity, humanity and worth of all people. Through comprehensive Independent Living and Employment Services provided by well-trained staff, the unified center supports people with disabilities in transforming their lives through their own choices of how they live, work and participate in their community. SCRS-IL is committed to the founding principles of independent living, self-advocacy and personal empowerment. Along with the activities listed below, SCRS-IL has held one-on-one meetings via phone and online, and provided SoCalGas CAP information to 1,053 clients. Due to the COVID-19 emergency, in person meetings have been cancelled. SCRS distributed 870 PPE packages in total during the month of September. All packages included SoCalGas Customer Assistance Program information and utilized SoCalGas bags. Additional PPE packages will be distributed every Thursday due to an unprecedented need from the underserved communities throughout LA County.

Frank D Lanterman Regional Center is one of 21 regional centers in the state of California that together serve individuals with, or at risk for developmental disabilities and their families. Lanterman is a private, non-profit, that operates under contract with the State of California through the Departmental of Developmental Services. Lanterman offers lifelong services and supports for approximately 11,500 individuals with developmental disabilities. Lanterman Regional Center works together with client, families, services providers, and communities to provide quality services and supports that address an individual's unique strengths and needs. Lanterman's service area includes Hollywood-Wilshire, Central Los Angeles, Glendale, Burbank, La Cañada-Flintridge, La Crescenta and Pasadena. Lanterman holds training events for the following cultural groups throughout its service area: Korean, Filipino, Armenian and Hispanic. Most of the clients are at or below the national poverty level. Through the SoCalGas partnership, CAP information is provided to all individuals seeking assistance through the Lanterman regional center. During the month of September, Lanterman Regional Center facilitated many online support and training meetings. Approximately 265 people were introduced to SoCalGas' low income programs.

**2.2.2. Describe the efforts taken to reach and coordinate the CARE program with other related programs to reach eligible customers.**

To maximize new CARE enrollments and to retain customers already participating in CARE, SoCalGas shares customer enrollment information with other utilities such as Southern California Edison (SCE) and San Diego Gas &

Electric (SDG&E). During the month of September, 6,043 customers were enrolled in SoCalGas' CARE Program as a result of inter-utility data sharing activities. Additionally, CARE shares data with internal programs such as SoCalGas' ESA Program and the Gas Assistance Fund (GAF). Intra-utility efforts in September generated 1,744 CARE enrollments. Coordinating the CARE Program with other related low-income programs not only results in supporting program participation rates, it also helps increase PEV activities when customer information is shared with programs such as the Low-Income Home Energy Assistance Program (LIHEAP). Since LIHEAP requires upfront proof of income and is a qualifying Categorically Eligible program, once CARE receives LIHEAP customer data, those customers are considered automatically eligible and their "pre-enrollment verification" is used by SoCalGas to meet CARE's PEV requirements. There were 85 customers enrolled through leveraging during the month of September.

### **California Lifeline**

On April 14, 2020, SoCalGas received a request from the Energy Division (ED) to incorporate co-marketing of the California Lifeline program as part of increased CARE outreach marketing initiatives responding to COVID-19. Per directive from the ED, where feasible and appropriate, new CARE marketing and outreach materials promoted discounted phone services and referred SoCalGas customers to California Lifeline <https://www.californialifeline.com/en> and

the pilot program <https://www.boostmobile.com/plans/cpuc-boost-mobile> that connected CARE participants with an active Lifeline promotion.

In September, SoCalGas continued to display the California Lifeline and pilot program web links provided by the ED to the top of its CARE webpage.

SoCalGas CARE outreach and marketing initiatives directs traffic from all media, including social media and print campaigns to the CARE webpage, and is therefore an optimal placement of the California Lifeline information, allowing for broader awareness.

In September, SoCalGas also sent an e-mail to new and existing customers not on CARE, promoting the 20% discount, with Energy Savings Assistance Program and the California LifeLine messages included.

### **2.3. CARE Recertification Complaints**

There were no recertification complaints in the month of September.

34													
35	<sup>1</sup> Reflects the authorized funding in D.16-11-022. Additional funds allocated from prior-cycle unspent budgets as ordered in G-3532 dated December 14, 2017, Non-Standard Disposition of Clear Plan AL 5256, dated May 18, 2018, and Non-Standard Disposition of Midcycle AL 5325, dated December 19, 2018 are not shown on this table but appear on Table 1A.												
36	<sup>2</sup> Pilot current year expenditures related to 2019 activity paid and posted in 2020, however total 2017-2020 cycle spend still within overall cycle budget.												
37	<sup>3</sup> Total current and y-t-d expenses are related to contractor payment advance and credit-back associated with COVID - 19.												
38	<sup>4</sup> Total y-t-d CPUC oversight expense over authorized budget due to delayed billing related to 2019 activity, but still within overall 2017-2020 cycle budget.												
39	<sup>5</sup> Current month and YTD expenditures include a quarterly accrual of \$4,516,189 in the following reporting categories: Appliances \$91,987, Domestic Hot Water \$822,254, Enclosure \$1,223,686, HVAC \$832,608, Maintenance \$51,693, Customer Enrollment \$1,289,811, In Home Energy Education \$68,040, Inspections \$136,110.												
40													
41	<b>Note:</b> In January 2020, a manual adjustment was made to exclude a net accrual/reversal debit amount of \$1,987,394 for contractor costs related to all ESA Program measure categories associated to December 2019 activities. This amount will be incorporated in 2019 costs as reported in the SoCalGas' Annual Report filed May 2020. Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD adjustments.

<sup>1</sup> All savings are calculated based on the following sources:

DNV-GL "Energy Savings Assistance (ESA) Program Impact Evaluation Program Years 2015-2017." April 26, 2019.

<sup>2</sup> Microwave savings are from ECONorthWest Studies received in December of 2011.

<sup>3</sup> Includes Faucet Aerators and Low Flow Showerheads

<sup>4</sup> Includes Water Heater Blankets and Water Heater Pipe Insulation

<sup>5</sup> Envelope and Air Sealing Measures may include outlet cover plate gaskets, attic access weatherization, weatherstripping - door, caulking and minor home repairs. Minor home repairs predominantly are door jamb repair / replacement, door repair, and window putty.

<sup>6</sup> Weatherization may consist of attic insulation, attic access weatherization, weatherstripping - door, caulking, & minor home repairs.

**Note:** Any required corrections/adjustments are reported herein and supersede results reported in prior months, and may reflect YTD adjustments.

Direct Implementation	\$ -	\$ 213,224	\$ 213,224
<b>TOTAL MF CAM COSTS</b>	\$ -	\$ 237,068	\$ 237,068

<<Includes measures costs

<sup>1</sup> Applicable to Deed-Restricted, government and non-profit owned multi-family buildings described in D.16-11-022 where 65% of tenants are income eligible based on CPUC income requirements of at or below 200% of the Federal Poverty Guidelines.

<sup>2</sup> Measures are customized by each IOU, see 'Table 2B-1, Eligible Measures List'. Measures list may change based on available information on both costs and benefits and may vary across climate zones. Each IOU should fill out Table 2B as it pertains to their program. Table 2B-1 Column A should match Table 2B Column A for eligible (not canceled) measures.

<sup>3</sup> Commissioning costs, as allowable per the Decision, are included in measures total cost unless otherwise noted.

<sup>4</sup> All savings are calculated based on the following sources:  
 DNV-GL "Energy Savings Assistance (ESA) Program Impact Evaluation Program Years 2015-2017." April 26, 2019.

<sup>5</sup> Microwave savings are from ECONorthWest Studies received in December of 2011.

<sup>6</sup> Envelope and Air Sealing Measures may include outlet cover plate gaskets, attic access weatherization, weatherstripping - door, caulking and minor home repairs. Minor home repairs predominantly are door jamb repair / replacement, door repair, and window putty.

<sup>7</sup> Refers to optimizing the installation of the measure installed such as retrofitting pipes, etc.

<sup>8</sup> Audit costs may be covered by other programs or projects may utilize previous audits. Not all participants will have an audit cost associated with their project.

<sup>9</sup> Per D.17-12-009 at p.213, the CPUC imposes a cap of 10% of ESA Program funds for administrative activities and a ceiling of 20% for direct implementation non-incentive costs.

<sup>10</sup> Multifamily properties are sites with at least five (5) or more dwelling units. The properties may have multiple buildings.

<sup>11</sup> Multifamily tenant units are the number of dwelling units located within properties treated. This number does not represent the same number of dwellings treated as captured in table 2A.

<sup>12</sup> NMEC calculations require 12 months prior and 12 months post implementation.

**Note:** Any required corrections/adjustments are reported herein and supersede results reported in prior months, and may reflect YTD adjustments.

IOUs - Do not delete footnotes 1-5 below.

[1] Contractor labor and labor-related costs. Post-Pandemic Return to Service (PPRS) credit **eligible**. Based on number of contractors eligible for PPRS credit as of last calendar day of a given month.

[2] For work performed during PPRS credit-earning period July 15, 2020 through January 14, 2021, for contractors receiving advances. (Dates will vary by IOU based on start of PPRS credit earnings period.) Only includes contractors eligible for PPRS credit as of the reporting month.

[3] Based on total monthly contractor invoices, up to maximum allowable for each contractor. Contractors who are not eligible for PPRS credit as of reporting month have a maximum allowable amount of 0.

[4] Credits may be applied at a later date than earned depending on the contractor repayment schedule. This value should not exceed column I.

[5] Includes repayments processed for which PPRS credits were not applied.

Note: This table created pursuant to section 1.2.3 in Commission Resolution E-5074. This report covers the period from the issuance of advances until the last day of the month reported. Any required corrections/adjustments are reported herein and supersede results reported in prior months.
