ENERGY SAVINGS ASSISTANCE PROGRAM MONTHLY REPORT

1. ESA PROGRAM EXECUTIVE SUMMARY

1.1. ESA Program Overview

1.1.1. Provide a summary of the ESA Program elements as approved in Decision (D.)21-06-015.

On June 3, 2021, Decision (D.) 21-06-015 was issued approving the applications of the four major IOUs and setting forth the parameters for the administration of the CARE, Family Electric Rate Assistance (FERA) and ESA Programs for the 2021-2026 Program Cycle. This report reflects the approved budget and homes treated updates per D.21-06-015.

Program Summary Expenses for 2022 ESA Program (SF, MH, MF In-Unit)			
	2022 Authorized / Planning Assumption*	Actual to Date	%
Budget	\$116,291,772	\$21,788,864	19%
Homes Treated	94,600	15,289	16%
kWh Saved	N/A	N/A	N/A
kW Demand Reduced	N/A	N/A	N/A
Therms Saved	1,435,220	103,630	7%
GHG Emissions Reduced (Tons)	7,345	0	0%

* Per D.21-06-015, approved annual energy savings and household treatment goals for PYs 2022-2026 are for the entire ESA Program portfolio, including Main ESA Program, Multi-Family (MF) in-unit, MF Common Area Measures (CAM) and Multi-Family Whole Building (MFWB), with the singular exception of the Staff Proposal pilot.

In March 2022, SoCalGas processed and paid contractor invoices from prior months' activity for 8,011 treated homes. Additionally, SoCalGas paid for the weatherization of 8,011 homes, 483 furnace repairs and replacements, 426 water heater repairs and replacements and 561 High Efficiency (HE) clothes washers.

Program Summary Expenses for 2022 ESA Program MF CAM			
	2022 Authorized / Planning Assumptions	Actual to Date	%
Budget*	\$10,660,000	\$545,361	5.1%
Properties Treated**	30 - 50	3	10.0%
kWh Saved	N/A	N/A	N/A
kW Demand Reduced	N/A	N/A	N/A
Therms Saved	N/A	8,961	N/A

* Authorized budget from unspent, uncommitted funds per AL 5865 filed September 17, 2021

** Properties treated estimate per AL 5865 filed September 17, 2021.

SoCalGas has completed three (3) Multifamily Common Area Measure (MF CAM) projects in 2022, and there are nineteen (19) projects in progress. Of the four projects forecasted to be completed in April, only two are being reported this month. The other two projects will be carried forward into April. SoCalGas only reports completed projects when all phases of the project have been finalized including installation, city inspections, training, and final customer sign-off. SoCalGas is on-target to meet the properties treated goal and the SPOCs continue to build the pipeline of projects and have additional property owners participate in ESA CAM.

ESA Program Pilot Plus/Deep Summary Expenses			
	2022 Authorized / Planning Assumptions	Actual to Date	%
Budget	\$6,510,545	\$0	0%
Homes Treated	0	0	0%
kWh Saved	0	0	0%
kW Demand Reduced	0	0	0%
Therms Saved	0	0	0%
GHG Emissions Reduced (Tons)	0	0	0%

ESA Program Pilot Plus and Pilot Deep is a joint pilot program with SoCalGas and Southern California Edison (SCE), where pre-selected customers residing in single family homes may opt in to participate. Participants in Pilot Plus/Deep will receive measures that may help them save 5% to 50% of their energy usage.

SoCalGas and SCE are currently conducting competitive solicitations to select a single third-party Program Implementer to deliver Pilot Plus/Deep gas and electric program services. A contract with the successful bidder is expected to be finalized in Q3 2022, with anticipated program launch in January 2023.

1.1.2 Program Measure Changes

No measure changes occurred in March 2022.

1.2. ESA Program Customer Outreach and Enrollment Update

1.2.1. Provide a summary of the ESA Program outreach and enrollment strategies deployed this month.

As SoCalGas moves from the goal of homes treated to therms savings, the purpose of ongoing communications is to help build necessary awareness, recognition, and trust so that customers are willing to engage with and participate in the program. At this time, SoCalGas is concentrating efforts in ZIP codes with low ESA Program enrollment that are also Disadvantaged Communities (DACs), targeting current CARE customers who have not received ESA Program measures since 2016 in those areas. SoCalGas continued marketing and communication efforts to increase program awareness and reduce barriers that prevent customers

from participating. It is anticipated that a customer's current participation in CARE may prompt them to learn more about and participate in the ESA Program.

1.2.2. Customer Assistance Marketing, Education and Outreach for the CARE and ESA Programs.

Ethnic and Mass Media Campaign

SoCalGas did not launch a paid media effort during the month of March.

E- Newsletter

SoCalGas did not participate in any E-Newsletter campaigns related to low-income programs during the month of March.

Energy Savings Assistance Program - Emails

SoCalGas sent approximately 15,945 emails in March. The email included a high-level explanation of the program, shared a list of available measures that customers may qualify for, and encouraged customers to visit the program web page or call the program's direct line to learn more.

Energy Saving Assistance Program - Direct Mailings

SoCalGas sent approximately 20,333 direct mail letters in English and Spanish in March. The letter included a high-level explanation of the program, shared a list of available measures that customers may qualify for, and encouraged customers to visit the program web page or call the program's direct line to learn more.

Energy Savings Assistance Program – Text Messaging

SoCalGas sent approximately 17,861 text messages in March. The message focused on how the customer may qualify for home improvements by professional contractors at no cost, and encouraged them to learn more using the program vanity URL (socialgas.com/Improvements).

Energy Savings Assistance Program - Bill Inserts

SoCalGas did not send any bill inserts during the month of February.

Energy Savings Assistance Program - Web Activities

There were 197 internet-generated leads for the ESA Program during the month of March from all channel activities conducted in previous months. The leads are being pursued by SoCalGas ESA Program contractors.

Energy Savings Assistance Program – Social Media Activity

In March, SoCalGas posted an ESA Program social media post to Twitter. This post was created by SoCalGas' advertising agency and promoted to the entire service territory. The post resulted in 743 impressions and 37 total engagements.

Community Outreach & Engagement – ESA Program and CARE

SoCalGas provides customer program information regarding its interactions with the community that facilitates participation in its Low-Income Programs. On an ongoing basis, SoCalGas Regional Public Affairs meets with various community

groups – representing both the general population and low-income customers.

CARE and ESA Program information is distributed at the events that SoCalGas or its representatives attend. A complete listing of outreach events that SoCalGas participated in during the month of March can be found in **Appendix A**.

Community Based Organizations (CBOs) and Faith-Based Organizations (FBOs) also constitute a key component of the grassroots tactics. These organizations serve as trusted sources of information on the CARE and ESA Programs and provide the community with information on enrollment. A partial list of the organizations, their primary focus, and the counties and communities they serve follows.

211 LA County is a multilingual referral phone number for Los Angeles County. As a result of SoCalGas' close working relationship with 211, callers learn about the ESA Program and CARE when they are put on hold, and representatives are trained to follow up with callers on these programs, even if utility assistance was not the original purpose of the call. The organization provides monthly reporting on the categories of service calls and zip codes of the callers. In addition to operating a crisis-information helpline, 211 also attends community events, and through their relationship with SoCalGas, they discuss low-income programs as part of their outreach. During the month of March, 211 LA participated in 5 outreach events. Customer Assistance Programs (CAPs) were also promoted

through four (4) social media postings. In total, 173 participants were informed about the CARE Program, with 10 interested in the ESA Program.

SoCalGas Customer Assistance Programs started a collaboration with Walking Shield in February 2021. Walking Shield's mission is to improve the quality of life for families in Orange and Los Angeles Counties by coordinating programs that provide shelter, healthcare, community development support, educational assistance, employment development, and humanitarian aid. Also, through this partnership, Walking Shield provides SoCalGas Customer Assistance Program information to the community by utilizing social media platforms and newsletters, and via phone and virtual meetings with clients. In the month of March, Walking Shield held 10 one-on-one virtual/phone meetings where they discussed SoCalGas' Customer Assistance Programs, provided brochures, and explained details of the programs. Six (6) clients completed their applications or expressed interest in enrollment. Walking Shield also emailed a total of 25 participants from their education program with information on SoCalGas' Customer Assistance Programs, as well as a link to apply. On social media, CBO staff posted SoCalGas program information and links via Facebook, Instagram and Twitter.

The mission of Catholic Charities of Orange County is to provide service to people in need, to promote their voice in society, and to call on the Church and all people to do the same. Catholic Charities of Orange County works with charitable services such as CalFresh (Food Stamps) Outreach/Applications Program, Camp

Re-Creation For Adults And Children With Special Needs, Cantlay Food Distribution Center, Catholic Campaign For Human Development, Catholic Charities Auxiliary, Catholic Charities of Orange County, Inc., Immigration and Citizenship Center, L'arche Wavecrest, Natural Family Planning, New Hope Crisis Counseling Hotline, Snap-Ed (Nutrition Education and Obesity-Prevention Program), Society of St. Vincent De Paul and The Orange Catholic Foundation. Catholic Charities of Orange County promotes SoCalGas' Customer Assistance Programs through all these avenues. In the month of March, Catholic Charities of Orange County distributed SoCalGas Customer Assistance Programs material to 1,080 individuals that came to various food pantry events.

Another partnership in Orange County has been developed with Families Forward. Families Forward is an organization that has been helping families in need achieve and maintain self-sufficiency through housing, food, counseling, education, and other support services. Families Forward holds strong to its commitment to the values of dignity, empowerment, accountability, community spirit, and hope since 1984. A key factor for success is Families Forward's commitment to collaborate with many organizations to end family homelessness in Orange County, including Orange County United Way, the Commission to End Homelessness, First 5 Orange County and many other partner agencies and foundations. In the month of March, 354 families received CARE Program information during their food distribution. In addition, CAP information was posted on the Families Forward community resource page under their rental and

assistance section as well as under their COVID-19 support page. These pages garnered 257 total views in the month of February.

A partnership was established in 2020 with the Center Auxiliary for Recruitment, Education and Service which is the auxiliary for the Los Angeles County + USC Medical Center. This program is also known as CARES. Los Angeles County + USC Medical Center is one of the largest public hospitals in the country ensuring that treatment is available to every member of the community. CARES is a California nonprofit corporation, providing financial support and volunteer services. Its primary mission is to benefit patients by adding comfort to their hospital stay and providing services which help the patients and their families access quality healthcare. Through this partnership, CARES provides SoCalGas CAP information in their senior food distributions, CARES Child and Family Program, Obstetrics department and information stands placed throughout the medical center. In addition, SoCalGas will be invited to speak to staff at the medical centers who provide information to patients about the program. In March, the Los Angeles County + USC Medical Center Chaplin Department sent out 25 emails to their contacts sharing CAP information.

To assist with grassroots outreach, SoCalGas also works with counselors from Worksite Wellness, a CBO in Los Angeles County that provides outreach to low-income working families. Counselors visit workplaces in south Los Angeles and neighboring communities to deliver wellness seminars and discuss no-cost/low-

cost health care services. While informing workers of Medi-Cal eligibility, the counselors also inform the workers of the CARE Program. In March, Worksite Wellness staff offered virtual Health Education presentations, in addition to distributing sanitation care packages, vouchers for food boxes, and supplies to low-income families. These presentations have also been made available in-person at local parks. The presentations reached over 947 clients while 493 clients attended Community Health classes in-person or online last month. Staff also provided enrollment assistance to 152 families that qualified for Customer Assistance Programs based on Medi-Cal, MyHealthLA, or Covered California participation. Enrollments are still being conducted over the phone, while others are being done in-person as the Worksite Wellness office remains open at 100% capacity.

SoCalGas also collaborates with LIFT-Los Angeles. LIFT partners with community and early childcare organizations who refer parents and caregivers to SoCalGas' services (parents can also contact LIFT directly). While these community institutions are focused on helping children develop and thrive, LIFT concentrates on engaging and supporting their parents. LIFT works to build a strong, trusted relationship with each parent and/or caregiver centering around family goals that include increasing savings and reducing debt, finding high-quality educational opportunities, and securing jobs that can provide more economic stability. Members and coaches meet at least once a month to make progress towards their goals. LIFT also provides families with funds to meet

emergency needs and support long-term goals and connects parents to a broader community of local resources and partnerships such as SoCalGas' Customer Assistance Programs. This month, LIFT worked to provide over 176 members with SoCalGas' CAP information. Due to the COVID-19 emergency, as of March 16, 2020, LIFT switched its programming to virtual coaching so their services to parents could continue uninterrupted. LIFT's ability to be nimble and pivot to virtual has meant that they are able to see more members virtually than the in-person meetings. Since transitioning to virtual coaching, LIFT-LA has seen an increase in one-on-one virtual coaching sessions along with urgent wraparound supports.

In the Southeast region of Los Angeles County, SoCalGas collaborates with Human Services Association (HSA), which is a private nonprofit agency whose principal mission is to provide families with compassionate and comprehensive care to promote wellness and build strong communities. HSA was founded in Bell Gardens as an outreach effort of the Presbyterian Church USA. Today, HSA serves over 20,000 clients annually on a non-sectarian basis with a range of services that addresses the unique and shared needs of clients of all ages. During the month of March, 350 people were provided information about SoCalGas Customer Assistance Programs.

A partnership with St. Barnabas Foundation (SBSS) in Los Angeles County was formed in 2018 to assist with the growing number of older adults in SoCalGas'

service territory who lack basic developmental tools. The impacts of COVID-19 have affected most events with the organization. SBSS works with vulnerable population and provides one-on-one case management phone calls where they can introduce SoCalGas' Customer Assistance Programs to clients directly as well as provide translations and answer common questions about their gas bill. In the month of March, Customer Assistance Programs were discussed with nine (9) clients during one-on-one case management phone calls. Multilingual Customer Assistance Programs collateral materials were distributed to 595 senior clients during at-home meal deliveries and to an additional 115 via mail. In addition, St Barnabas has been participating in tabling events at the Mexican Consulate twice during the month, and distributed 50 Spanish-language CAP collateral.

In Santa Barbara County, SoCalGas continues to work with Unity Shoppe, a CBO that serves low-income families, children, seniors, and persons with disabilities. The store-front facility in downtown Santa Barbara serves approximately 17,000 families per year. Each family meets with a counselor providing an opportunity for one-on-one discussion on SoCalGas' low-income programs. This month due to the COVID-19 emergency, Unity Shoppe did not perform in-person activities of introducing Customer Assistance Programs to their partner agencies that work in referrals of low-income clients or agencies representing schools, infant & children's programs, medical assistance programs, and veteran outreach services. However, for the month of March, Unity Shoppe was still able to provide information on SoCalGas' Customer Assistance Programs to over 1,355

participants. Due to the COVID-19 pandemic, Unity Shoppe has seen an increase in participants, and in March 2020 started efforts to respond through home deliveries which included grocery deliveries to homebound seniors and the disabled.

Ventura County has a very large population of indigenous speakers (residents who speak neither English nor Spanish, but speak various indigenous languages, such as Zapoteco or Mixteco). The Mixteco Indigena Community Organizing Project (MICOP) reports that 20,000 indigenous speakers reside in Ventura County. To reach out to these residents and customers – primarily farmworkers and persons with limited English proficiency – SoCalGas collaborates with MICOP to extend awareness of the CARE Program. MICOP provides ongoing awareness, and SoCalGas schedules periodic sponsored events to provide direct outreach. Due to the COVID-19 pandemic, MICOP has leveraged its radio resource and has provided information on customer assistance programs through their radio stations. In March, MICOP informed 92 community members on Customer Assistance Programs via phone calls.

Also in Ventura County, SoCalGas works with Food Share Ventura County, an organization that provides food for over 75,000 people monthly. Food Share is a member of Feeding America, the nation’s largest hunger-relief network of food banks, as well as the California Association of Food Banks. In the month of March, Food Share Ventura County distributed 9,576 “Emergency Box

Distributions” and “Senior Kit Distributions” with SoCalGas’ Customer Assistance Programs materials at various locations throughout Ventura County, as listed individually in **Appendix A**.

In Oxnard, SoCalGas has partnered with El Concilio, a CBO that is a service center for the rural low-income, limited, or non-English speaking community. El Concilio, transitions low-income families by providing services that integrate them into the community to assist them in becoming self-sufficient, engaged and greater contributors to the community. In March, El Concilio distributed CAP information to 337 attendees that visit their office.

In San Luis Obispo County, a partnership has been established with Center for Family Strengthening – Promotores Collaborative (CFS- Promotores Collaborative). This organization aims to develop a sustainable, diverse, and comprehensive culture that promotes equal access to community resources and services among all members of the Hispanic community in San Luis Obispo County. The Promotores are provided with the tools needed to work as advocates, change agents, and partners with local agencies for positive change. Through this partnership, 20 Promotores located in Paso Robles, San Miguel, Shandon, Atascadero, San Luis Obispo, Los Osos, Five Cities and Nipomo have been trained on the SoCalGas CARE Program. The Promotores are actively participating in food bank distributions and will use that platform to inform customers on SoCalGas Customer Assistance Programs. In addition, CAP

information will be disseminated in parenting classes and support programs as well as their social media outlets.

A new collaboration recently began with The Link Family Resource Center (The Link) in San Luis Obispo County. The Link provides support to accessing food, housing, clothing, health care, and parent education. The Link also assists with navigating the social services system for mental health services, disability benefits, drug and alcohol recovery, adoption and guardianship support and family reunification. The Link is disseminating CAP information to the community members in San Luis Obispo.

In our Southern Desert region, SoCalGas partners with FIND Food Bank. FIND Food Bank is the Desert's regional food bank and is the only regional food bank serving eastern Riverside and southern San Bernardino Counties. FIND distributes over 12 million pounds of food assistance annually to an average 90,000 individuals each month across the service area. FIND operates 22 FIND Mobile Market Distributions and a network of over 66 community-based partners whose programs include food pantries, soup kitchens, after-school and summer care, senior centers, Faith-Based Organizations, and homeless shelters. Through its affiliations with Feeding America and the California Association of Food Banks, FIND represents the Desert Community at regional, state, and national levels to advocate for the most vulnerable populations suffering from food insecurity. For the month of March, FIND Foodbank's partnership with SoCalGas

led to 1,910 one-on-one outreach opportunities to present SoCalGas' CAP information in eight of the 15 coverage areas they serve. This month the following coverage areas were visited: Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Mecca, Rancho Mirage, and Thermal.

In the Eastern San Fernando Valley, SoCalGas has developed a collaborative effort with El Nido Family Source Centers. El Nido is regarded as a nonprofit leader in Los Angeles – an integral part of the fabric of the communities it serves – providing critical social services in the most disadvantaged and under-resourced neighborhoods of LA County. With more than 90 years of experience and with programs that serve ethnically diverse clients of all ages – from newborns to toddlers to teens and into adulthood – El Nido transforms the lives of tens of thousands of vulnerable individuals across Los Angeles each year. Staff distributed information regarding SoCalGas' Customer Assistance Programs to 533 individuals that visited/received assistance at their site for the citywide Emergency Rental Assistance Subsidy Program, Temporary Rent Subsidy for tenants in the City of Los Angeles who are unable to pay rent due to circumstances related to the COVID-19 pandemic.

In the Southeast region of Los Angeles County, SoCalGas partners with Southeast Community Development Corporation (SCDC), a non-profit organization addressing the serious social and economic issues existing in the Southeast's eight member cities of Bell, Bell Gardens, Commerce, Cudahy, Huntington Park,

Maywood, South Gate, and Vernon. SCDC was created based on the belief that community problems must be solved by the community itself and is committed to utilizing resources within the community. With local funding sources, SCDC has continued to be a strong investment in the communities it serves. SCDC has a history of managing community projects and producing positive results. It has organized bus shuttles for the cities of Montebello and Huntington Park, administered a federally funded home renovation project for the city of Huntington Park, administered a 2020 Census Questionnaire Assistance Center, distributed loans through the Small Business Micro Loan Program, administered a business assistance center, formed a Southeast Health Coalition, and co-sponsored a college scholarship program and college conference fair for students in the Southeast area. The organization has since expanded to the rest of the county and works as a resource in many different areas including education and enrollment of customers into SoCalGas' Customer Assistance Programs. For the month of March, due to COVID-19, SCDC has changed its programming and provided one-on-one assistance to customers over the phone and online, discussing Customer Assistance Programs.

Since 1980, Inner City Law Center (ICLC), a non-profit law firm, has provided free legal services to the vulnerable residents of Los Angeles. ICLC promotes access to decent, safe, and fully habitable housing for the enormous number of homeless and working-poor families and individuals residing in Los Angeles' inner city neighborhoods. It is the only full-time provider of legal services

headquartered on Skid Row, fighting for justice for low-income tenants, working poor families, immigrants, people who are living with HIV/AIDS or are disabled, and veterans. In March, through their partnership with SoCalGas, information regarding SoCalGas' Customer Assistance Programs was distributed to 136 tenants to new Rent Escrow Account Program (REAP) units and habitability-potential buildings. ICLC did not receive any inquiries with additional questions.

This year, SoCalGas has entered into a new partnership with ONEgeneration, a non-profit focused on providing intergenerational care and services. Operating throughout the western San Fernando Valley, ONEgeneration serves a variety of constituents and communities. These range from low-income, homebound, and medically frail senior citizens to developmentally disabled or at-risk youth to infants and children up to six years old. They also service diverse, multiethnic communities, with program participants speaking a number of languages. In March, ONEgeneration staff provided in-person outreach to its constituents about SoCalGas Customer Assistance Programs, distributed related materials through email, and promoted Gas Assistance Fund information through social media. ONEgeneration co-hosted or attended 12 community events where staff provided collateral materials and information about Customer Assistance Programs.

In 2021, SoCalGas also began partnering with Veterans Legal Institute. Based in Orange County, Veterans Legal Institute facilitates pro bono legal assistance to homeless, at-risk, disabled, and low-income current and former service members.

Through their core values of outreach, compassion, leadership, empowerment, and quality advocacy, their organization aims to overcome barriers for veteran self-sufficiency. In the month of March, Veterans Legal Institute participated in two (2) separate events where SoCalGas Customer Assistance Programs information was distributed to 106 attendees and created three social media posts seen by 297 people online. Additionally in March, 163 online Customer Assistance Programs applications were emailed Veterans Legal Institute clients, which included a detailed message and link to the SoCalGas Customer Assistance Programs website.

In partnership with SoCalGas, The Vietnamese Community of the Southern Californians (Viet SoCal) works to promote assistance programs to Vietnamese communities in Orange County and across Southern California. Viet SoCal publishes local Vietnamese news online, advocates for Vietnamese residents, and offers community-based programs. In March, informational materials about SoCalGas Customer Assistance Programs were distributed to 31 senior families at a food bank event. Materials were also distributed to 425 participants attending twelve workshops providing information on U.S. citizenship. Viet SoCal also published information about Customer Assistance Programs daily in their newspapers, *Nguoi Viet* and *VietMy*. Additionally, VietSoCal's partnership with Radio Bolsa allowed dissemination of SoCalGas programs information to thousands of listeners on a weekly basis.

SoCalGas Customer Assistance Programs was able to commence a partnership with MEND poverty (MEND). MEND established operations in Pacoima, where it continues to provide food, clothing, one-on-one case management and support services to low-income individuals and families. For 50 years, MEND has continuously served the most vulnerable in the community, including those who are homeless, unemployed/under-employed, very low income, and older adults. In March, MEND disseminated Customer Assistance Programs information through their food distributions, wellness food deliveries and case management calls.

In the month of March, SoCalGas Customer Assistance Programs continued its collaboration with Goodwill Industries of Orange County. Goodwill works to enhance people's dignity and quality of life by strengthening their communities, eliminating their barriers to opportunity, and helping them reach their full potential through learning and the power of work. Local Goodwill organizations are innovative and sustainable social enterprises that create job training programs, employment placement and other community-based programs by selling donated clothing and household items in more than 3,300 Goodwill stores. Goodwill of Orange County is assisting SoCalGas Customer Assistance Programs by displaying CAP information in their stores and resource centers as well as educating their employees on these programs.

Tribal Outreach Activity

SoCalGas engages in ongoing collaborative outreach efforts with Southern California Indian Center (SCIC). SCIC is a non-profit organization focused on serving and promoting self-sufficiency in American Indian, Alaskan Native and Native Hawaiian communities across Los Angeles, Orange and Riverside Counties. Their constituency consists of the largest concentration of American Indian/Native Alaskans in the United States, covering over 350 tribal groups. They are particularly dedicated to supporting community efforts in workforce development, youth education, family support, and multimedia training. Details regarding specific events that took place during the month of March can be found in **Appendix A**.

Disability Community Outreach

SoCalGas continues to work with organizations in the disability community such as Fiesta Educativa, an organization that focuses on helping Latino families that have family members with special needs. This organization performs disability outreach and community events in Los Angeles, Riverside, San Bernardino, and Orange Counties. In the month of March, Fiesta Educativa continues to hold virtual workshops through Zoom due to the COVID-19 emergency. The areas covered are Los Angeles, Arcadia, Whittier, Monterey Park, and San Gabriel.

SoCalGas also has an ongoing partnership with Blindness Support Services Inc., an organization that has a specialized history of providing direct program services

to individuals who are blind or visually impaired on a one-on-one basis. The organization provides assistance in Riverside and San Bernardino counties and works with individuals who have visual impairments to become more independent and adapt to the challenges they face. The counselors have been trained on the CARE and ESA Programs and have a plan in place to provide outreach and enrollment in SoCalGas' programs. Due to the COVID-19 emergency, Blind Support Services has changed its programming to provide one-on-one assistance through mail and phone calls. In March, Blind Support Services provided one-on-one touchpoints to 33 households with seniors and individuals with disabilities, providing them with information on SoCalGas' Customer Assistance Programs.

In addition, SoCalGas works with Southern California Resource Services for Independent Living (SCRS-IL). A cross-disability, non-residential, disability rights organization, SCRS-IL empowers people with any disability to live full and independent lives by committing to building an inclusive community that recognizes the dignity, humanity and worth of all people. Through comprehensive Independent Living and Employment Services provided by well-trained staff, the unified center supports people with disabilities in transforming their lives through their own choices of how they live, work and participate in their community. SCRS-IL is committed to the founding principles of independent living, self-advocacy and personal empowerment. During the month of March, SCRS-IL was able to disseminate Customer Assistance Program information to 540 community members through their PPE distributions.

Frank D. Lanterman Regional Center (Lanterman) is one of 21 regional centers in the state of California that together serve individuals with, or at risk for developmental disabilities and their families. Lanterman is a private, non-profit, that operates under contract with the State of California through the Departmental of Developmental Services. Lanterman offers lifelong services and supports for approximately 11,500 individuals with developmental disabilities. Lanterman Regional Center works together with client, families, services providers, and communities to provide quality services and supports that address an individual's unique strengths and needs. Lanterman's service area includes Hollywood-Wilshire, Central Los Angeles, Glendale, Burbank, La Cañada-Flintridge, La Crescenta and Pasadena. Lanterman holds training events for the following cultural groups throughout its service area: Korean, Filipino, Armenian and Hispanic. Most of the clients are at or below the national poverty level. Through the SoCalGas partnership, CAP information is provided to all individuals seeking assistance through the Lanterman regional center. During the month of March, Lanterman Regional Center facilitated five (5) weekly food distributions and distributed 336 boxes.

Based in the City of Los Angeles, Disability Community Resource Center (DCRC) partners with SoCalGas to further their mission of supporting peer-led programs and services for people with disabilities. The organization is a Center for Independent Living, imparting to its constituents self-determination, accessible styles of living, and the fullest possible participation in community life.

Among its initiatives, DCRC recruits persons with disabilities as staff members, assists with coordinating events and activities for local disability communities, and advocates public policy eliminating discrimination or other barriers for persons with disabilities. In the month of March, DCRC collaborated with local farmer's markets to provide fresh produce to low-income members of the disability community, or those facing financial hardships during the pandemic. DCRC staff distributed Customer Assistance Program information at two (2) weekly food distribution events to 23 individuals with their fresh produce.

SoCalGas Customer Assistance Programs collaborates with OC Autism Foundation (OCAF). OCAF directly impacts the lives of children and adults who are affected by Autism Spectrum Disorder and their families. OCAF's goal is to educate, empower & employ individuals affected by Autism and other related disabilities and their families. In the month of March, OCAF had one major event for St. Patrick's Day in Garden Grove, CA. Through this event, customer assistance programs information was distributed to 250 attendees. This month, OCAF was able to distribute CAP information to over 250 contacts through their crisis call line. They also shared CAP information on their social media channels and via the OC Health & Education Talkshow every Tuesday on Channel 56.10, YouTube, FB Live and www.littlesaigontv.com. A March Facebook post CARE information was posted for OCAF's 2,359 Facebook followers. OCAF has a monthly newsletter that reaches over 5,300 OCAF members and a monthly Kids

Club subscription program that reaches over 300 members. Both the newsletter and subscription program include SoCalGas customer assistance programs links.

Details regarding specific Disability events that took place during the month of March can be found in **Appendix A**.

Outreach by Field Employees

Although some temporary restrictions regarding entering customers' homes due to health and safety concerns remain in place, field service employees continue to distribute CAP brochures to customers when entering customer premises.

Throughout the year, the CAP Outreach Team has distributed supplemental deliveries to individual bases on an as-requested basis. SoCalGas launched an automated system that allows operating bases to request CAP brochures directly which has continued through the month of March. This option is in addition to the regular system-wide semi-annual deployment of CAP brochures to operating bases.

1.2.3. Managing Energy Use

Throughout the ESA Program enrollment and assessment process, program representatives discuss energy use with customers to tailor delivery of energy education to each individual customer. For example, educating the customer on recommended thermostat settings ensures their home remains comfortable, their energy use decreases, and their furnace does not have to work unnecessarily hard. Customers are also provided guidance on various energy industry labels such as

EnergyGuide and ENERGY STAR which may assist customers in determining the appropriate appliances for their home. These and many other details and tips are offered through verbal discussions and either a physical Energy Education Guide or an online version of the Energy Education Guide.

1.2.4. Services to Reduce Energy Bill

Prior to ESA Program enrollment, customers are informed of the potential energy and bill savings that they would benefit from by having their home serviced by an ESA Program contractor. As mentioned above, throughout enrollment, assessment, and energy education customers are informed of ways to reduce their energy use and energy bills. In addition to discussing the benefits of the ESA Program, customers are also informed of other customer assistance programs including CARE, which provides a 20% discount on their energy bill. Finally, the principal benefit of installing ESA Program measures is to reduce energy consumption and provide bill savings.

1.3. Leveraging Success Evaluation, Including CSD

In 2022, leveraging opportunities with municipalities and water agencies remains a high priority in providing comprehensive energy savings to joint customers, especially for those customers not in a joint IOU service territory. SoCalGas is able to provide administrative and co-funding opportunities to electric and water providers who might otherwise not offer these energy savings measures.

Water leveraging agreements provide the ability for water agencies to capture water savings through the co-funding opportunities to support the installation of High-Efficiency (HE) clothes washer and other related water measures. Some water agencies also co-fund low-flow shower heads, faucet aerators, thermostatic shower valves and tub spouts. The participating water agencies include:

- Eastern Municipal Water District
- Fontana Water Company¹
- Liberty Utilities, formerly Park Water Company²
- Metropolitan Water District (MWD)
- San Gabriel Valley Water Company³
- California American Water
- Moulton Niguel Water District
- Elsinore Valley Municipal Water District
- Western Municipal Water District
- Rancho California Water District

For the purpose of helping mitigate the impact of drought in the state, SoCalGas recently entered into an agreement with MWD to provide installations of cold-water measures such as premium efficiency toilets and smart irrigation controllers through SoCalGas's ESA Program. These measures will be provided to SoCalGas' customers in MWD's territories until June 30, 2024 or budget exhaustion.

¹ Fontana Water Company serves the following communities: Fontana, Rialto, Rancho Cucamonga, Ontario, and unincorporated areas of San Bernardino County.

² Liberty Utilities, formerly Park Water Company, serves the Compton/Willowbrook, Lynwood, and Bellflower/Norwalk water systems.

³ San Gabriel Valley Water Company serves the following communities: Arcadia, Baldwin Park, El Monte, Industry, Irwindale, La Puente, Montebello, Monterey Park, Pico Rivera, Rosemead, San Gabriel, Santa Fe Springs, South El Monte, West Covina, Whittier and unincorporated portions of Los Angeles County, in the communities of Bassett, Hacienda Heights, Los Nietos and South San Gabriel.

In addition to the water leveraging opportunities, SoCalGas is working with municipal electric providers through the ESA Program. SoCalGas administers programs for the following municipal electric providers:

- Anaheim Public Utilities
- Colton Public Utilities
- Pasadena Water and Power
- Riverside Public Utilities

Providers have reported 2022 activity noted below. Some of the electric measures installed include LEDs, Smart Power Strips, Torchiere Lamps, A/C Tune-ups, Refrigerator Assessment, Duct Testing & Sealing and Room A/C Replacement. Qualifying measures vary per electric provider and availability of funding.

Municipal Electric Provider	Participating Customers
Anaheim Public Utilities	21
Colton Public Utilities	0
Pasadena Water and Power	0
Riverside Public Utilities	0
Total	21

Affordable Broadband

California Emerging Technology Fund (CETF) is currently promoted on SoCalGas’s website (socalgas.com/Assistance and socalgas.com/Asistencia) and via monthly CARE emails to residential customers. In addition to promoting CETF via marketing channels, SoCalGas includes CETF information in ongoing CBO training presentations. SoCalGas will continue to cross-promote affordable broadband messaging when relevant and appropriate. The ESA Program is also actively working with CETF to include CETF promotional flyers in SoCalGas Energy Education kits in the coming months.

1.3.1. Please provide a status of the leveraging effort with CSD. What new steps or programs have been implemented? What were the results in terms of new enrollments?

SoCalGas continues to explore opportunities to collaborate with various organizations and key stakeholders, including the California Department of Community Services & Development (CSD), to leverage program enrollment. On April 2, 2019, SoCalGas and CSD executed a Low-Income Weatherization Program (LIWP) cost reimbursement agreement for installation of qualifying ESA Program measures to eligible customers.

1.4 Workforce Education & Training

1.4.1 Please summarize efforts to improve and expand ESA Program workforce education and training. Describe steps taken to hire and train low-income workers and how such efforts differ from prior program years.

SoCalGas provides two (2) areas of training: 1) Enrollment and Assessment (E&A); and 2) ESA Program Field Operations. In response to COVID-19 restrictions, SoCalGas completed development of an online E&A curriculum in May 2020. Implementation of the curriculum as well as online testing began in June 2020. SoCalGas began presenting field operations training online in September 2020 and is continuing to address certain challenges due to the technical nature of the subject matter.

The year-to-date training results are as follows.

SoCalGas Enrollment and Assessment Training				
	January	February	March	Total
Attended Class	7	24	28	59

1.5 Studies and Pilots

1.5.1 ESA Program Studies

2022 Low Income Needs Assessment (LINA) Study

The Low-Income Needs Assessment (LINA) is a mandated study required to be completed every three (3) years per AB 327 and PUC Sec. 382(d). The 2022 LINA is focused on understanding the energy needs of California’s large low-income renter population including those living in single family homes as well as different types of multifamily properties. In particular, the study will (a) identify renter needs (or a lack of needs) addressed or not addressed by the program (b) identify needs among specific sub-groups of renters, (c) outline program, policy and market barriers and potential solutions to serving the rental market, and (d) as appropriate, recommend how ESA Program may better assist renters with the bill

savings and/or mediate Health/Comfort/Safety (HCS) Hardships. The study is expected to employ multiple methods of data collection and analysis including review of existing research, analysis of existing secondary data, collection, and analysis of survey data with rental customers and interview data with renters and landlords of different types of properties.

The California Investor-Owned Utilities (IOUs) awarded the project to Evergreen Economics in January 2021, through a competitive bidding process. Southern California Edison (SCE) is the lead utility of the study.

Currently, Evergreen Economics is conducting customer phone surveys. The study is on track to be completed by December of 2022 as planned.

Categorical Study

The IOUs operate three (3) energy assistance programs for income qualified households. The three (3) programs include two (2) reduced rate programs, the CARE and FERA Programs, as well as the direct install ESA Program.

Categorical programs are means-tested low-income assistance programs⁴ in which the customer's income is verified by the appropriate state and federal agencies.

⁴ See Public Assistance Programs via: [California Alternate Rates for Energy CARE | SoCalGas](#)

All low-income programs allow categorical program participations to be eligibly enrolled.

The Categorical Eligibility study is to evaluate relevant categorical programs and analyze how the eligibility requirements and process of the categorical programs align with the income guidelines of the ESA Program, CARE and FERA.

The statewide Study Working Group has finalized the Scope of Work for the study. The Request for Proposal (RFP) was published in February. The IOUs and ED will select a consultant for this project through a competitive bidding process. San Diego Gas and Electric (SDG&E) is the lead utility of this study. The study is scheduled to be completed by December of 2022.

ESA Program CAM Process Evaluation

The process evaluation has two (2) primary interrelated objectives: (1) To assess the relative effectiveness of the IOUs' current Multifamily Common Area Measures (MF-CAM) delivery and implementation strategies, and provide recommendations where improvements could be made and; (2) to identify what data currently exist and may be needed to assess performance and success as defined by the core objectives of the initiative. Results and recommended data collection that are later incorporated into program implementation processes will facilitate more reliable evaluations of the impacts of common area measures installed in multifamily properties. In addition, results of the process evaluation

are expected to inform future program designs targeting the low-income MF sector.

The IOUs awarded the project to Resources Innovation (formerly Nexant Inc.) in July 2021, through a competitive bidding process. Pacific Gas & Electric (PG&E) is the lead utility of the study.

To date, Resources Innovation has completed a project mid-point memo. A public presentation was conducted in February. The remaining tasks for the process evaluation include participant surveys and in-depth interviews, CPUC and tenant interviews, creating customer journey maps, and identifying data collection needs to support the recommended impact evaluation approach. The study is on track to be completed by June of 2022, following a third stakeholder workshop to present overall study findings and the publication of a final report.

1.5.2 ESA Program Pilot

SoCalGas had no pilot activity in March.

2. CARE PROGRAM EXECUTIVE SUMMARY

2.1. CARE Program Overview

2.1.1. Please provide CARE Program summary costs.

CARE Budget Categories	Authorized Budget	Actual Expenses to Date	% of Budget Spent
Outreach	\$4,216,431	\$813,630	19%
Processing, Certification and Verification	\$2,425,658	\$407,742	17%
Information Tech./Programming	\$1,063,935	\$163,027	15%
Pilots	\$80,000	\$0	0%
CHANGES	\$437,502	\$84,102	19%
Studies	\$62,500	\$0	0%
Regulatory Compliance	\$610,337	\$100,146	16%
General Administration	\$1,111,980	\$270,653	24%
CPUC Energy Division Staff	\$77,250	\$21,138	27%
Total Expenses	\$10,085,593	\$1,860,437	18%
Subsidies and Benefits	\$139,583,569	\$75,816,215	54%
Total Program Costs and Discounts	\$149,669,162	\$77,676,652	52%

2.1.2. Provide the CARE Program enrollment rate to date.

CARE Enrollment		
Participants Enrolled	Eligible Participants	Enrollment Rate
1,811,917	1,601,758	113%

CARE My Account Activity & Enrollments

In accordance with D.17-12-009, CARE Program enrollment was integrated within My Account in September of 2017, where applications are now processed in real-time. Once logged into My Account, customers receive message center alerts notifying them that they can apply to the CARE Program if they are eligible, or that they are due for recertification or post-enrollment verification (PEV), depending on their CARE status. Customers may then visit a dedicated CARE Program page within My

Account where application processes including enrollment, recertification and PEV are available in English and Spanish. CARE customers may also opt-out of the program if they no longer qualify.

This implementation has increased CARE enrollments, reduced manual processing of applications, and improved customer service by providing real-time status updates and application confirmation. Since its inception, there have been 279,197 successful enrollments, 108,639 recertifications, 6,815 post-enrollment verifications and 18,700 opt-outs. Activity for March is as follows:

CARE My Account Activity			
	Transactions	Approved	% Approved
Self-certification	7,321	5,643	77%
Re-certification	4,549	4,283	94%
PEV	188	134	71%
Customer opt-out	237	N/A	N/A

CARE CSR Enrollment Initiative

In its PY2015-2017 Application, SoCalGas requested CARE enrollment through Customer Service Representatives (CSRs) when customers call the Customer Contact Center (CCC) to turn-on or back-on service, or to make payment arrangements. D.16-11-022 was issued in November 2016 and in January 2017, SoCalGas’ CARE and IT departments began the planning, design, and creation of a CARE template adjacent to both the turn-on and payment extension templates and used specifically by the CCC. Thorough testing, and training of the CSRs took place during the

fourth quarter of 2017. CSRs began taking CARE applications over the phone at midnight on February 23, 2018.

During the month of March 2022, CSRs successfully enrolled 9,755 customers in CARE. An additional 2,228 customers preferred to receive a CARE application in the mail. Through this effort, CARE enrollment from inception via the CCC is at 538,602 with an additional 193,986 mailed applications.

There have been no issues reported; however, SoCalGas' CARE department will continue to obtain feedback from the CCC regarding this process. Any issues or concerns reported by the CSRs will be reviewed, and where needed, process changes will be implemented to ensure an even greater customer experience.

CARE Recertifications

To encourage recertification onto the CARE Program, SoCalGas mails letters to customers as their recertification date approaches. If the customer does not renew their certification, SoCalGas mails a second letter. Customers are given 90 days to respond and complete the request. During the month of March, SoCalGas processed a total of 4,192 on-line renewals.

2.2. Marketing & Outreach

2.2.1. Discuss utility marketing activities and those undertaken by third parties on the utility's behalf.

CARE Emails & Enrollments

Due to the increase in the number of customers with an available email address on file, SoCalGas prioritizes email communication whenever possible to deliver messages in a timely and cost-effective manner. During the month of March, SoCalGas sent approximately 9,550 emails to new customers with a probability of being eligible for the CARE Program. A total of 1,780 customers enrolled using the link within this email. A total of approximately 22,018 emails were sent to existing SoCalGas customers who may qualify for the CARE Program and 8,896 enrolled using the link within this email.

SoCalGas also sends monthly re-apply emails to recapture customers who have fallen off the CARE Program. SoCalGas sent approximately 9,006 emails encouraging these customers to re-apply in March. 2,822 customers re-applied online using the link from the email they received.

CARE Text Messages & Enrollments

SoCalGas texts the CARE link to customers with valid mobile phone numbers encouraging them to apply online. In March, SoCalGas sent approximately 14,940 text messages to new customers, existing customers not on CARE, and customers needing to recertify to remain on the program. A total of 2,565 enrollments were generated from text messages sent.

CARE Direct Mail Activity & Enrollments

During the month of March, SoCalGas sent approximately 13,630 direct mail letters to new customers deemed likely to be eligible for the CARE Program. The letters encouraged customers to enroll online. SoCalGas mailed approximately 25,000 letters directing customers who are not on CARE but who have a high probability of being qualified for CARE, to also enroll online. Additionally, to reach customers who previously participated in the CARE Program but failed to recertify, SoCalGas sends direct mail letters encouraging customers to re-apply online and renew their monthly bill discount. In the month of March, SoCalGas mailed approximately 14,183 letters to customers who failed to renew their CARE eligibility.

As of April 2019, SoCalGas no longer mails paper applications with direct mail letters. Rather, the letters direct customers to apply online and resulted in 2,117 online enrollments processed in March. These online enrollments are generated when a customer organically searched for and visits the CARE homepage.

CARE Bill Inserts

SoCalGas did not send a bill insert in the month of March. SoCalGas approved 102 bill insert applications from prior months in March.

CARE Social & Mass Media Campaign

SoCalGas launched a fall 2021 CARE multi-channel mass media campaign in late

October that ended in late December. With the temporary suspension of the recertification and post-enrollment verification (PEV) processes ending in July 2021, SoCalGas' priority was and is to help customers remain on the CARE Program. With this in mind, a goal of this mass media effort was to increase customer awareness around the need to take steps to retain their monthly 20% discount. The fall 2021 CARE mass media campaign not only encouraged customers to apply for the program but mentioned that customers may re-apply as well. The "re-apply" message encouraged customers to either re-apply to continue their monthly 20% bill discount or rejoin the program if they are still eligible. The overall message was how "easy" it is to apply and re-apply to the CARE Program within minutes. This mass media campaign reached customers in the SoCalGas territory (messages available in English, Spanish, Chinese, Korean, and Vietnamese) across channels including digital, radio, out-of-home (OOH) media, television, and more. This campaign also targeted unemployment and social services offices within the SoCalGas service territory to provide viewers at those locations with CARE mobile ads, contributing to 7,428 program webpage visits and an extremely high click-through rate of 4.19%. In addition to radio commercials to reach customers who may not have internet or smartphone access, SoCalGas organized radio spots and DJ endorsements of the CARE Program across KISS, KLJH, and KRRL, resulting in 105 radio spots (60 DJ endorsements and 45 30 second radio spots). When listeners hear a representative of their radio station of choice directly promote the CARE Program and its benefits, it lends legitimacy, and these radio efforts delivered 1,681,452 impressions. Overall, the

campaign resulted in:

- 41,805,681 total impressions across channels
 - 16,171,034 impressions across General and Hispanic markets
 - 25,634,646 impressions across the Chinese, Vietnamese, and Korean markets
- 55,894 CARE webpage visits with a strong session duration of 70 seconds, demonstrating the campaign is reaching the right customers and the overall message resonated
- 9,936 CARE Program enrollments from 10/25/21-12/13/21
 - 7,213 new program enrollments
 - 2,723 re-enrollments
- 5,808,646 social media impressions and 39,751 post engagements
 - 1,859,575 Spanish ad impressions
 - 1,852,866 English ad impressions
 - 2,096,205 Chinese, Korean, and Vietnamese ad impressions
- A 17% increase in “apply now” clicks across digital efforts compared to the winter 2021 CARE campaign, demonstrating audience connection to the messaging
- A high average 95% streaming video confirmed rate confirming the audience resonated with the messaging throughout the entire campaign timeframe. The General Market slightly outperformed the Hispanic Market at 98% versus 97.93%

While the fall 2021 CARE campaign ended in December, SoCalGas launched an additional paid media effort in late January 2022 using the same assets from the fall campaign. The messaging and creative of the original campaign remained relevant and benefited customers during what could be a challenging season due to the increase in costs and use of natural gas. This campaign effort ran for six weeks and focused on mobile, search, social, and video, targeting General and

Hispanic markets. Results will be shared once SoCalGas's advertising agency provides insights in the coming months.

2.2.2. Discuss utility outreach activities and those undertaken by third parties on the utility's behalf.

CARE Third-Party Enrollments & Outreach

SoCalGas employs third-party bilingual (English and Spanish) contractors to canvass targeted neighborhoods to enroll customers on CARE. These canvassers generated 733 approved enrollments in March.

Please note a revision provided after submitting the February 2022 report.

SoCalGas previously listed 790 approved enrollments in February, but 797 applications were approved.

In addition to canvassers, CBOs and FBOs constitute a key component of the grassroots tactics. These organizations serve as trusted sources of information on the CARE Program and provide the community with information on enrollment. If a customer is already on the CARE Program, these organizations remind customers to recertify when notified. During the pandemic, these partners have become even more important to help reach customers to obtain information on SoCalGas' assistance programs, and many CBOs have modified their outreach procedures to comply with COVID-19 related recommendations and mandates to continue to serve those in need. For a partial list of the organizations, their

primary focus, and the counties and communities they serve, please refer to **Section 1.2.2** above.

CARE Data Sharing

To maximize new CARE enrollments and to retain customers already participating in CARE, SoCalGas shares customer enrollment information with other utilities such as Southern California Edison (SCE) and San Diego Gas & Electric (SDG&E). During the month of March, 5,731 customers were enrolled in SoCalGas' CARE Program as a result of inter-utility data sharing activities. Additionally, CARE shares data with internal programs such as SoCalGas' ESA Program and the Gas Assistance Fund (GAF). Intra-utility efforts in March generated 1,601 CARE enrollments. Coordinating the CARE Program with other related low-income programs not only results in supporting program participation rates, it also helps increase PEV activities when customer information is shared with programs such as the Low-Income Home Energy Assistance Program (LIHEAP). Since LIHEAP requires upfront proof of income and is a qualifying Categorically Eligible program, once CARE receives LIHEAP customer data, those customers are considered automatically eligible and their "pre-enrollment verification" is used by SoCalGas to meet CARE's PEV requirements. There were 153 customers enrolled through leveraging during the month of March.

California Lifeline

On April 14, 2020, SoCalGas received a request from the Energy Division (ED)

to incorporate co-marketing of the California Lifeline program as part of increased CARE outreach marketing initiatives responding to COVID-19. Per directive from the ED, where feasible and appropriate, new CARE marketing and outreach materials promoted discounted phone services and referred SoCalGas customers to California Lifeline <https://www.californialifeline.com/en> and the pilot program <https://www.boostmobile.com/plans/cpuc-boost-mobile> that connected CARE participants with an active Lifeline promotion. Per direction from the Commission, the CPUC/California Lifeline limited-duration pilot program ended as of June 30, 2021. Therefore, SoCalGas continued to promote California Lifeline but removed promotions of the Boost Mobile pilot program.

In March, SoCalGas continued to display the California Lifeline web link provided by the ED to the top of its CARE webpage. SoCalGas CARE outreach and marketing initiatives direct traffic from all media, including social media and print campaigns to the CARE webpage, and is therefore an optimal placement of the California Lifeline information, allowing for broader awareness.

In March, SoCalGas also sent emails to new customers, existing customers not on CARE, and customers needing to re-apply for CARE with information about California LifeLine.

2.3. CARE Recertification Complaints

2.3.1. Report the number of customer complaints received (formal or informal, however and wherever received) about their CARE recertification efforts, with the nature of the complaints and resolution.

There was one recertification complaint in the month of March.

Information was received through the Customer Comment Tracking (CCT) system. Per customer, she was unable to get through to the recertification IVR to recertify for CARE. A lead clerk in the CARE department called the customer and recertified the customer's eligibility over the phone. Customer was pleased.

2.4. Studies and Pilots

2.4.1. CARE Program Studies

2022 Low Income Needs Assessment (LINA) Study

See **Section 1.5.1** above.

Categorical Study

See **Section 1.5.1** above.

2.4.2. CARE Program Pilot

SoCalGas had no pilot activity in February.

3. APPENDIX A – CUSTOMER ASSISTANCE PROGRAM OUTREACH EVENTS

CBO Outreach Events

<u>Event Date & Organization</u>	<u>Event Name</u>	<u>Event Location</u>	<u>Event Information</u>
March 1 (Food Share of Ventura County)	Senior Kit Distribution	Fillmore Active Adult Center	Community Based Organization (CBO) staff provided information regarding SoCalGas' Customer Assistance Programs (CAP). CAP materials were distributed to approximately 159 attendees.
March 1 (Via Care)	507 Vaccine Clinic	Los Angeles	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 4 attendees.
March 1 (The Link)	Children's Farmers Market	Cambria Grammar School	CBO event staff provided information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 81 participants.
March 1 (MEND)	Here We Thrive – Case Management – Rental Assistance Appointments Outreach	Onsite at MEND – Pacoima	CBO provided information regarding SoCalGas Customer Assistance Programs. CAP materials were distributed to approximately 8 participants.
March 1 (Veteran's Legal Institute)	Social Media	Online	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP information was distributed via social media in English: Facebook Reach – 133 LinkedIn – 122 Twitter- 42

<u>Event Date & Organization</u>	<u>Event Name</u>	<u>Event Location</u>	<u>Event Information</u>
March 1 (Families Forward)	Food Distribution	Irvine	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 19 attendees.
March 1 (LA County USC Medical Center Auxiliary CARES)	Email	Email Blast by Chaplin Department to Community Partners	CBO staff sent emails to 25 Community Partners asking that they share SoCalGas Customer Assistance information with their contacts.
March 1 (Food Bank of Santa Barbara)	Older Adults Nutrition	Casa Grande – Santa Maria	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 130 attendees.
March 1 (Food Bank of Santa Barbara)	Older Adults Nutrition	Santa Maria	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 50 attendees.
March 2 (MEND)	Community Outreach Hope & Care	Sylvan Early Education Center – Van Nuys	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 90 attendees along with COVID PPE kits for students at school.
March 2 (MEND)	Here We Thrive – Case Management Rental Assistance Appointments Outreach	Onsite at MEND – Pacoima	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 8 clients.

<u>Event Date & Organization</u>	<u>Event Name</u>	<u>Event Location</u>	<u>Event Information</u>
March 2 (ONEGeneration)	Monthly Newsletter	Virtual	CBO staff sent monthly newsletter to 8,000 households with information on SoCalGas' Customer Assistance Programs included.
March 2 (Food Bank of Santa Barbara)	Older Adults Nutrition	Lompoc	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 85 attendees.
March 2 (Food Share of Ventura County)	Emergency Box Distribution	College Park - Oxnard	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 1380 attendees.
March 2 (Families Forward)	Food Distribution	Irvine	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 19 attendees.
March 3 (MEND)	Here We Thrive – Case Management Rental Assistance Appointments Outreach	Onsite at MEND – Pacoima	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 8 attendees.
March 3 (ONEGeneration)	Neighborhood Council Meeting	Granada Hills (Virtual)	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 35 attendees.

<u>Event Date & Organization</u>	<u>Event Name</u>	<u>Event Location</u>	<u>Event Information</u>
March 3 (Families Forward)	Food Distribution	Irvine	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 19 attendees.
March 3 (Catholic Charities of Orange County)	Food Pantry	Christ Cathedral – Orange	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 200 attendees.
March 3 (Food Share of Ventura County)	Emergency Box Distribution	LUCHA Pantry - Santa Paula	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 180 attendees.
March 3 (Via Care)	507 Vaccine Clinic	Los Angeles	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 6 attendees.
March 3 (Food Share of Ventura County)	Senior Kit Distribution	Grace Bible - Oxnard	CBO staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 119 attendees.
March 3 (The Link)	SLO Co. Food Bank Distribution	Shandon High School	CBO event Staff provided information regarding SoCalGas' Customer Assistance Programs. CAP materials were distributed to approximately 74 participants.

<u>Event Date & Organization</u>	<u>Event Name</u>	<u>Event Location</u>	<u>Event Information</u>

^[1] Reflects authorized funding per D.21-06-015 dated June 3, 2021, but does not include authorized budget for Pilot Plus and Deep Pilot program in the amount of \$6,510,545 shown on ESA Summary tab.

^[2] YTD credit amount of (\$24,400) is related to MF CAM PV study and reflects accounting reversal of Dec 2021 accrual, where timing of invoice is delayed and s/b paid in Apr 2022 business.

^[3] Authorized budget for MF CAM PV study is not included here on Table 1, but funded out of MF CAM unspent funds from previous cycle per AL 5744. However, actual costs along with all other applicable M&E funded studies costs are included here in Table 1 and also listed on Table 6.

Note 1: In January 2021, a manual adjustment was made to exclude a net accrual/reversal debit amount of \$1,995,518 for contractor costs related to all ESA Program measure categories associated to December 2021 activities. This amount will be incorporated in 2021 costs as reported in the SoCalGas' Annual Report filed May 2022.

Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD adjustments.

Note 2: Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD adjustments.

ESA Program (Summary) Total							
Measures	Units	Year-To-Date Completed & Expensed Installation					
		Quantity Installed	kWh [1] (Annual)	kW [1] (Annual)	Therms [1] (Annual)	Expenses (\$)	% of Expenditure
Appliances							
High Efficiency Clothes Washer	Home	948	-	-	18,875	\$ 774,260	8.1%
Refrigerators	Each	-	-	-	-	\$ -	0.0%
Freezers	Each	-	-	-	-	\$ -	0.0%
New - Clothier Dryer	Each	-	-	-	-	\$ -	0.0%
New - Dishwasher	Each	-	-	-	-	\$ -	0.0%
Domestic Hot Water							
Other Domestic Hot Water [3]	Home	14,966	-	-	47,293	\$ 706,594	7.4%
Water Heater Tank and Pipe Insulation [4]	Home	151	-	-	959	\$ 5,945	0.1%
Water Heater Repair/Replacement	Home	682	-	-	1,630	\$ 1,463,739	15.3%
Thermostatic Shower Valve	Each	8,201	-	-	13,368	\$ 406,378	4.3%
Combined Showerhead/TSV	Each	-	-	-	-	\$ -	0.0%
Heat Pump Water Heater	Each	-	-	-	-	\$ -	0.0%
Tub Diverter/ Tub Spout	Each	317	-	-	1,782	\$ 38,500	0.4%
New - Solar Water Heating	Home	-	-	-	-	\$ -	0.0%
Enclosure							
Air Sealing/Envelope [5]	Home	7,896	-	-	4,466	\$ 2,004,982	21.0%
New - Diagnostic Air Sealing	Home	688	-	-	20,410	\$ 1,554,157	16.3%
Attic Insulation	Home	-	-	-	-	\$ -	0.0%
New - Floor Insulation	Home	-	-	-	-	\$ -	0.0%
HVAC							
Furnace Repair/Replacement	Home	889	-	-	(29,939)	\$ 1,274,292	13.3%
Room A/C Replacement	Home	-	-	-	-	\$ -	0.0%
Central A/C Replacement	Home	-	-	-	-	\$ -	0.0%
Heat Pump Replacement	Home	-	-	-	-	\$ -	0.0%
Evaporative Cooler	Home	-	-	-	-	\$ -	0.0%
Duct Testing and Sealing	Home	139	-	-	1,544	\$ 71,832	0.8%
Energy Efficient Fan Control	Home	-	-	-	-	\$ -	0.0%
Removed - A/C Time Delay	Home	-	-	-	-	\$ -	0.0%
Prescriptive Duct Sealing	Home	1,891	-	-	21,009	\$ 205,263	2.2%
High Efficiency Forced Air Unit (HE FAU)	Home	159	-	-	2,557	\$ 541,254	5.7%
Smart Thermostat	Each	1,309	-	-	2,835	\$ 347,885	3.6%
New - Portable A/C	Each	-	-	-	-	\$ -	0.0%
New - Central Heat Pump-FS (propane or gas space)	Home	-	-	-	-	\$ -	0.0%
New - Wholehouse Fan	Home	-	-	-	-	\$ -	0.0%
Maintenance							
Furnace Clean and Tune	Home	2,567	-	-	(3,157)	\$ 152,010	1.6%
Central A/C Tune up	Home	-	-	-	-	\$ -	0.0%
New - Evaporative Cooling Maintenance	Home	-	-	-	-	\$ -	0.0%
Lighting							
Removed - Interior Hard wired LED fixtures	Each	-	-	-	-	\$ -	0.0%
Exterior Hard wired LED fixtures	Each	-	-	-	-	\$ -	0.0%
Removed - LED Torchere	Each	-	-	-	-	\$ -	0.0%
Removed - Occupancy Sensor	Each	-	-	-	-	\$ -	0.0%
Removed - LED Night Light	Each	-	-	-	-	\$ -	0.0%
LED Reflector Bulbs	Each	-	-	-	-	\$ -	0.0%
LED A-Lamps	Each	-	-	-	-	\$ -	0.0%
Miscellaneous							
Pool Pumps	Home	-	-	-	-	\$ -	0.0%
Smart Strip Tier I	Home	-	-	-	-	\$ -	0.0%
Smart Strip Tier II	Each	-	-	-	-	\$ -	0.0%
New - Air Purifier	Home	-	-	-	-	\$ -	0.0%
Cold Storage	Each	-	-	-	-	\$ -	0.0%
New - Comprehensive Home Health and Safety Check-up	Home	-	-	-	-	\$ -	0.0%
New - CO and Smoke Alarm	Each	-	-	-	-	\$ -	0.0%
Pilots							
Customer Enrollment							
Outreach & Assessment	Home	-	-	-	-	\$ -	0.0%
In-Home Energy Education	Home	-	-	-	-	\$ -	0.0%
Total Savings/Expenditures							
			-	-	103,630	\$ 9,547,090	
Total Households Weatherized [6]		15,289					
Households Treated							
- Single Family Households Treated	Home	10,857					
- Multi-family Households Treated (In-unit)	Home	3,751					
- Mobile Homes Treated	Home	681					
Total Number of Households Treated	Home	15,289					
# Eligible Households to be Treated for PY	Home	94,600					
% of Households Treated	%	16%					
- Master-Meter Households Treated	Home	586					

[1] As of September 2019, all savings are calculated based on the following source:

DNV-GL "Energy Savings Assistance (ESA) Program Impact Evaluation Program Years 2015-2017." April 26, 2019.

[2] Microwave savings are from ECONorthWest Studies received in December of 2011

[3] Includes Faucet Aerators and Low Flow Showerheads

[4] Includes Water Heater Blankets and Water Heater Pipe Insulation

[5] Envelope and Air Sealing Measures may include outlet cover plate gaskets, attic access weatherization, weatherstripping - door, caulking and minor home repairs. Minor home repairs predominantly are door jamb repair / replacement, door repair, and window putty.

[6] Weatherization may consist of attic insulation, attic access weatherization, weatherstripping - door, caulking, & minor home repairs

Note: Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD adjustments.

Note: Any measures noted as 'NEW' have been added during the course of this program year.

Note: Any measures noted as 'REMOVED', are no longer offered by the program but have been kept for tracking purposes.

ESA Program - Multifamily Common Area	Year to Date Expenses		
	Electric	Gas	Total
Administration			\$ -
Direct Implementation (Non-Incentive)		\$ -	\$ -
Direct Implementation		\$ 545,361	\$ 545,361
TOTAL MF CAM COSTS	\$ -	\$ 545,361	\$ 545,361

<<Includes measures costs

- [1] Applicable to Deed-Restricted, government and non-profit owned multi-family buildings described in D.16-11-022 where 65% of tenants are income eligible based on CPUC income requirements of at or below 200% of the Federal Poverty Guidelines.
- [2] Measures are customized by each IOU, see 'Table 2B-1, Eligible Measures List'. Measures list may change based on available information on both costs and benefits and may vary across climate zones. Each IOU should fill out Table 2B as it pertains to their program. Table 2B-1 Column A should match Table 2B Column A for eligible (not canceled) measures.
- [3] Commissioning costs, as allowable per the Decision, are included in measures total cost unless otherwise noted. Savings estimates are sourced from the PY2015 to 2017 ESA Impact Evaluation; Energy Division instructed the IOUs to use these results for 2019 and 2020 savings estimates.
- [4] All savings are calculated based on the following sources:
DNV-GL "Energy Savings Assistance (ESA) Program Impact Evaluation Program Years 2015-2017." April 26, 2019.
- [5] Microwave savings are from ECONorthWest Studies received in December of 2011.
- [6] Envelope and Air Sealing Measures may include outlet cover plate gaskets, attic access weatherization, weatherstripping - door, caulking and minor home repairs. Minor home repairs predominantly are door jamb repair / replacement, door repair, and window putty.
- [7] Refers to optimizing the installation of the measure installed such as retrofitting pipes, etc.
- [8] Audit costs may be covered by other programs or projects may utilize previous audits. Not all participants will have an audit cost associated with their project.
- [9] Per D.17-12-009 at p.213, the CPUC imposes a cap of 10% of ESA Program funds for administrative activities and a ceiling of 20% for direct implementation non-incentive costs.
- [10] Multifamily properties are sites with at least five (5) or more dwelling units. The properties may have multiple buildings.
- [11] Multifamily tenant units are the number of dwelling units located within properties treated. This number does not represent the same number of dwellings treated as captured in table 2A.
- [12] NMEC calculations require 12 months prior and 12 months post implementation data.
- [13] Includes expenditures for projects from 2022; partial payment for projects completed in 2022 may have been included in 2021.

Note: Applicable to Deed-Restricted, government and non-profit owned multi-family buildings described in D.16-11-022 where 65% of tenants are income eligible based on CPUC income requirements of at or below 200% of the Federal Poverty Guidelines.

Note: Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD adjustments.

Note: Implementation of the MF CAM Initiative AL 3196-E-A_2654-G-A was approved effective 5/30/2018.

** Note: This represents the unit of measure such as Cap Tons and Cap kBTUh. It is not a count of each measure installed or each home the measure was installed in.

Energy Savings Assistance CAM Program Table 2B-1, Eligible Common Area Measures List
Southern California Gas Company
March 2022

Common Area Measures Category and Eligible Measures Title [1]	Effective Date	End Date[2]	Eligible Climate Zones [3]
Appliances			
High Efficiency Clothes Washer	11/10/2016	N/A	All Climate Zones
Domestic Hot Water			
Water Heater Blanket	11/10/2016	N/A	All Climate Zones

Water Heater Pipe Insulation	11/10/2016	N/A	All Climate Zones
Faucet Aerator	11/10/2016	N/A	All Climate Zones
Water Heater Repair/Replacement	11/10/2016	N/A	All Climate Zones
Thermostatic Shower Valve	11/10/2016	N/A	All Climate Zones
New - Tub Diverter/ Tub Spout	12/14/2017	N/A	All Climate Zones
Large Water Heater Replace	11/10/2016	N/A	All Climate Zones
Central Boiler Replace	11/10/2016	N/A	All Climate Zones
Envelope			
Air Sealing / Envelope	11/10/2016	N/A	All Climate Zones
Caulking	11/10/2016	N/A	All Climate Zones
Attic Insulation	11/10/2016	N/A	All Climate Zones
HVAC			
FAU Standing Pilot Conversion	11/10/2016	N/A	All Climate Zones
Furnace Repair/Replacement	11/10/2016	N/A	All Climate Zones
New - High Efficiency Forced Air Unit (HE FAU)	11/10/2016	N/A	All Climate Zones
Smart Thermostat	12/19/2018	N/A	All Climate Zones
A/C Tune-up	N/A		
Heat Pump Split System	N/A		
Lighting			
Exterior LED Lighting	N/A		
Exterior LED Lighting - Pool	N/A		
Interior LED Exit Sign	N/A		
Interior LED Fixture	N/A		
Interior LED Lighting	N/A		
Interior LED Screw-in	N/A		
Interior TLED Type A Lamps	N/A		
Interior TLED Type C Lamps	N/A		
Miscellaneous			
Tier-2 Smart Power Strip	N/A		
Variable Speed Pool Pump	N/A		

Standard Notes (do not delete)

1. Measures list may change based on available information on both costs and benefits (including energy benefits as well as non-energy benefits) and may vary across climate zones. This is not a list of installed measures, it is a list of eligible measures.

Table 2B-1 Column A should match Table 2B Column A for eligible (not canceled) measures.

2. Only complete if measure is canceled or discontinued

3. Defined as CEC California Building Climate Zones

https://www.energy.ca.gov/maps/renewable/building_climate_zones.html

**Energy Savings Assistance Program Table - 8 Clean Energy Referral, Leveraging, and Coordination
Southern California Gas Company
March 2022***

Partner	Brief Description of Effort	# of Referral	# of Leveraging	# of Coordination Efforts	# of Leads	# of Enrollments
LIHEAP						
CSD						
SASH						
SDCWA						
CARE/Medical Baseline						
CARE High Usage						
Etc.						

* Data not yet available

Note: Leveraging activities would include when programs share resources to jointly support program delivery or administration.

While coordination refers more generally to program communication, collaboration, and alignment of activities to support individual program delivery.

Energy Savings Assistance Program Table - 9 Tribal Outreach
Southern California Gas Company
March 2022*

Outreach Status	Quantity (Includes CARE, FERA, and ESA)	List of Participating Tribes
Tribes completed ESA Meet & Confer	0	No tribes have responded to SoCalGas' outreach efforts
Tribes requested outreach materials or applications	0	No tribes have responded to SoCalGas' outreach efforts
Tribes who have not accepted offer to Meet and Confer	0	No tribes have responded to SoCalGas' outreach efforts
Non-Federally Recognized Tribes who participated in Meet & Confer	0	No tribes have responded to SoCalGas' outreach efforts
Tribes and Housing Authority sites involved in Focused Project/ESA Partnership offer on Tribal Lands	0	No specific Focused Projects or ESA Partnerships in effect.
Housing Authority and Tribal Temporary Assistance for Needy Families (TANF) office who received outreach (this includes email, U.S. mail, and/or phone calls)	12	Pechanga Band of Luiseno Indians, Morongo Band of Mission Indians, Soboba Band of Luiseno Indians, Torres Martinez Band of Desert Cahuilla Indians, Cahuilla Band of Indians, Tejon Indian Tribe, Agua Caliente Band of Cahuilla Indians, Cabazon Band of Mission Indians, Chemhuevi Indian Tribe, Santa Ynez Band of Chumash Indians, Augustine Band of Cahuilla Indians, Tule River Tribe
Housing Authority and TANF offices who participated in Meet and Confer	0	No tribes have responded to SoCalGas' outreach efforts

* Data not yet available

YTD Total	1,811,917	7,939	0.4%	1	174	175	2.2%	0.0%

[1] Includes all participants who were selected for high usage verification process. Closed accounts will not be tracked in Ineligible or De-enrolled data.

[2] Includes customers verified as over income, who requested to be de-enrolled, did not reduce usage, or did not agree to be weatherized.

[3] Verification results are tied to the month initiated and the high usage verification process allows customers 90 days to respond to the verification process. Results may be pending due to the time permitted for a participant to respond.

Note: Any required corrections/adjustments are reported herein and supersede results reported in prior months and may reflect YTD
